Prayer Requests

Bulgaria

Tim & Lydia Awtrey – Praise God for new people attending our weekly Bible studies! Pray that they will grow in faith and fall in love with the Word of God.

Trif & Vanya Trifonov – Please pray for opportunities to share the Gospel with the people attending our language courses this week. Also, pray for healing and recovery of quite a few people who are sick at the moment.

France

Alejandro and Breanna Johnson – Please pray for us as we are traveling around the country raising support.

Japan

Rusty & Brenda Carney — Thank you all for praying for our return to Japan. The Lord heard your prayers as we had many challenges the week leading up to our departure. Brenda, Kelton and Katherine being sick was one of them, but also I (Rusty) accidentally left my bag with ALL of our passports and important papers in a hotel room in Nashville, Tennessee. We didn't discover it missing until the next day when we were back in Illinois. When we called the hotel, they said that it was not there. However, after putting the word out on our Facebook Group to pray, the bag was miraculously recovered after a friend of ours went to the hotel to look for it! Praise the Lord! With the passports in hand, we were able to leave on our originally scheduled flight and arrived safely in Japan last Wednesday evening, January 17. Please pray for our readjustment and that everything would go well with the renewal of our Japanese visas for which we are currently applying.

Kenya

Eddy & Amanda Simmons – The new Friday gathering has begun well, but we need Samburu men to be a part! Also, pray with us that the audio recordings for the solar MP3 players will finally be FINISHED this week.
