Prayer Requests

Bangladesh

Bangladesh Partnership – Please pray for a recently dedicated church building that just a few days later was closed by authorities pressured by a radical religious faction. Pray that believers might regain legal access to the use of the building.

Bulgaria

Brenton & Debbie Driscoll – Please continue to pray for Debbie’s green card to be granted ASAP. We cannot leave the country without this document.

Tris & Vanya Trifonov - During the Christmas season, we managed to talk with many of the Bulgarian and Ukrainian non-Christians attending our language classes about our faith in God. Please pray that God would make them desire to know more and draw them closer to Himself!

Cuba

Cuba Partnership - On January 3, the Cedars of Lebanon FWB Seminary celebrated their 80th anniversary since the opening of the school, which is so vital in training leaders for our churches in Cuba.

Ecuador

Adam & Carol Duncan - Pray for us as we continue to follow up with communities where we had outreach events (services and/or medical clinics) that the seeds planted will grow. Pray for the Awatino water project and CHE committee planning.

India

India Partnership - Praise the Lord for four new believers baptized in one of the churches over the Christmas season.

Ivory Coast

Ivory Coast Partnership - Praise the Lord for a youth camp held between Christmas and New Year. It was attended by approximately 100 youth from the Eastern Regional Association of FWB Churches.

Japan

Rusty & Brenda Carney – Praise the Lord for this new year and for all the seeds that were sown through the different outreach events at KCC. We heard that everything went well! Please pray for us as we are in the midst of packing up our things to fly back to Japan January 16. We thank the Lord for His protection over the thousands of miles we have driven since arriving in June. Please pray for all of our kids through this transition and that the Lord would give us clear wisdom and direction concerning their schooling upon our return.

Jack & Ashley Ketteman – Please pray for God to intervene in the marriages of two struggling couples we are ministering to. Ask the Lord for genuine repentance, forgiveness, and reconciliation.

Kenya

Eddy & Amanda Simmons - It's an exciting week! Pastor Francis is going to begin weekly discipleship gatherings on Fridays at an area across the river where we have seen some spiritual fruit. Please pray for the Lord to prepare hearts and to bring men of peace or a family of peace that can be the genesis of a new church in the future!

Pakistan

Nehemiah Trust – Please join Nehemiah Trust, one of our partners in Pakistan, in their 21 days of prayer and fasting for the country and their outreach to ethnic groups in that country that have never received the gospel and where there are no churches and no believers.

Spain

Josh & Bethany (THP) – We have arrived back in Spain! Thank you so much for all of you who have prayed, given, and helped us get to this point. We are so appreciative. Please pray with us as our kids go back to school this week. Pray it is an easy transition and that it will be easy for them to jump back into Spanish. Also, pray for us as we look for language schools for this semester and as we reconnect with friends and contacts from our first term here. Pray for many Good News opportunities to arise from these connections.

Sam & Lauren Riggs - In December, we were in a car wreck that severely damaged our car. We are thankful everyone was safe, including the kids who were with us, but today we received word that our car is officially totaled. Pray for us as we are working with the insurance to complete this claim, and as we look in to what we will do next. Since we just began fundraising, this is a difficult time to be without a car, but we know God will continue to provide! Please pray that we will work everything out soon.

Uruguay

Praise the Lord for a church revitalization training class conducted at the Melo FWB Church.
