Prayer Requests

Argentina

Argentina Partnership - The over 200% inflation and other economic woes have made it very hard for the people of Argentina to make ends meet. This affects our FWB people. Pray for the new government as they are trying to get legislation approved that will bring sweeping reforms to try to bring the economy under control.

Bulgaria

Brenton & Debbie Driscoll – Please pray that the latest document requested by USCIS will reach them soon and that we will hear back this month about Debbie’s green card.

Jacob & Hailee Voltz – We are officially past our due date and our OB doctor is back in the country after her training. Tuesday, February 6, we have an appointment for a checkup on Baby Aurora and most likely we will be admitted into the hospital. Pray that we have a good delivery, a healthy baby girl, and that the transition into a new season of life will be positive!

Ecuador

Adam & Carol Duncan – Continue to pray for the Awatino Water Project, for unity in the three “neighborhoods” in this rural village to be able to work together and for the local church plant to be strengthened to share the Gospel of Living Water. Pray for the continued unrest and state of emergency in our country as the military fights the drug cartels.

France

Alejandro & Breanna Johnson - Please pray for those who were able to attend the J’Pense event. Pray also for the team in France as they work with individuals seeking the Lord.

India

India Partnership – Praise the Lord for a report of six people who made public professions this past weekend that they have become Christ-followers.
Praise the Lord for a new church launch this past weekend.

India Partner (Friends of India) - From South India, we learned that Pastor Johnson had a heart attack on Sunday and had a stent placed. We thank the Lord for sparing him; please pray for his recovery and the funds to cover his medical expenses. Thank the Lord for a new work which held their first service on Saturday for the start of a new church. We thank the Lord for 12 people in north India who were just baptized on Sunday in a part of our work. Please pray for preparations for our upcoming annual conference and for the speakers.

Kenya

Eddy & Amanda Simmons – The new group across the river has not turned out to be genuinely committed to gathering to learn the Word. Pray that Pastor Francis will not get discouraged, and that he will continue to look for places where God is at work.

Pakistan

Pakistan Partnership – Pray for the approximately 60 people who are being treated at the FWB drug rehab ministry. More than half of these are of the Muslim faith and they are hearing the Gospel being preached each day. Pray for peace during the general national elections on Friday, February 8.

Spain

Anthony & Lea Edgmon – Praise the Lord with us for the good news we are hearing from the leaders of the Alpedrete Church. They are encouraged by how God is moving in the congregation. We thank God for their faithfulness in ministry.

Daniel & Karah (THP) – Please continue to pray for us as we fundraise and travel. We are currently at ten percent of our needed support and hope to be fully funded by the end of the summer.
