Prayer Requests

Bulgaria

Trif & Vanya Trifonov – We want to encourage more people to get involved in ministry, either through a special service with a message on the topic and interviews with people who are actively involved in ministry, a seminar, a panel, or another way. Please pray for wisdom as to how we can do that.

Ecuador

Adam & Carol Duncan - We had a fulfilling time in the village of Bella Vista Alta over the weekend. Praise God for the three men in the church who are being discipled in the oral storytelling tradition to share the Gospel. We are also thankful for the 36 patients seen at the Saturday clinic and the messages that were presented throughout the day.

France

Alejandro & Breanna Johnson – Please pray for Alejandro as he travels from south Alabama to South Carolina this weekend for the South Carolina State Meeting and a service on Sunday.

Japan

Rusty & Brenda Carney — Thank you all for praying for Mr. A who has been attending our Bible Study at KCC for the past seven years. We had a good study this past week, but during the study he stated clearly why he had not become a Christian yet. He believes in the value of all life—not just human lives, but plants and animals. Hearing about animal sacrifices in the Old Testament poses a difficulty for him. He is also struggling to understand who Jesus is and the fact of His divinity. Please pray specifically for him again this week as I had assigned him to read John 1:1-18.

Kenya

Eddy & Amanda Simmons – All the believers in Sesia met last weekend for a called session of prayer, along with the Lord's Supper and footwashing. They really loved praying in community. Pray that the Lord will show His presence and power in very real ways as He works in their lives through prayer.

Spain

Anthony & Lea Edgmon – This week we have opportunities to share and encourage in several different environments—a chapel service, a classroom, a podcast, a church service, and a WAC meeting. Pray for God’s message to be shared clearly and His name glorified in everything.

Keren Delgado – Praise God for the opportunity I recently had to share the Gospel with a girl. She went to church when she was younger, but now she does not want anything to do with God or the church. Please pray for V that her heart softens. Pray for more opportunities to build the relationship so I can better share with her who Christ is.

Daniel & Karah (THP) – Please continue to pray for us as we raise support. We are currently at 15% of what is needed and hope to be fully funded by the end of the summer. Also, please pray for us as we travel. This weekend, we will be at a support raising dinner on Saturday, as well as in two churches on Sunday.
