Prayer Requests

Argentina

Argentina Partnership - Pray for the city of Rosario as narco gangs are killing people indiscriminately on the streets to create terror in reprisal for the apprehension of many of the gang leaders. Pray for divine intervention so that violence will cease and for protection of the innocent. Pray that the authorities will have wisdom as they deal with the situation.

Bulgaria

Tim & Lydia Awtrey – Pray for an outreach event we have planned for June. A group pulled out at the last moment, and we are scrambling to make this mission project still happen so that we can be a witness to local high school students. Please pray that God will show us the way forward.

Josh Provow – Praise God for the start of construction in our new church facility. The Sunday before last, the crew chief came to church for the first time. This past Sunday he brought two friends!

France

Alejandro & Breanna Johnson – Please be in prayer for Alejandro as he travels to North Carolina and South Carolina this week. Also, Alejandro's maternal grandmother has recently passed away, and the funeral will be this Saturday, March 16. Please pray for our family as we process this grief.

Matt & Cristina Price - We praise the Lord for two young people who got saved during a youth revival at the Flatwoods FWB Church this past Sunday.

India

India Partnership – Please pray for Pastor Prabhudan Lugun, who is suffering from a heart condition as well as other illnesses. He is being evaluated at a hospital in South India.

Japan

Taylor Pate — My friend Koko will be coming to church this Sunday. Koko has said she wants to know Jesus as her Savior, so she will be coming to talk with us and ask any questions she might have. Please be praying for her and our time with her.

Kenya

Eddy & Amanda Simmons – Pray that the 1,000 new solar MP3 players we ordered will arrive in Kenya in good shape and with no delays.

Spain

Anthony & Lea Edgmon – The women's Bible study group in Alpedrete is beginning a new study on discerning God's voice. Praise God with us that these women desire to deepen their intimacy with the Lord, and pray for God to move mightily in their lives.

Chris & Tori (THP) – Please pray for Tori as she works this week to complete and submit the renewal application to continue receiving shelf stable food items from the European Union that can be distributed to more than 200 families over the next year. Pray also for our friends who are entering a month of fasting and spiritual awareness. Pray that many will encounter the One True God.
