Prayer Requests

Brazil

Brazil Partnership – Praise the Lord for eight people who were baptized at the First FWB Church of Araras, Brazil.

Bulgaria

Brenton & Debbie Driscoll – We are in the thick of re-applying for Brenton's visa. Please pray for this process that it will go smoothly without any hiccups. Join in praying with us that we will be back in Bulgaria by the end of July to both celebrate Debbie's brother's wedding as well as get settled into life and ministry before baby number three arrives!

Trif & Vanya Trifonov – Please pray for our National Women's Conference taking place from March 22-24 in Pleven. We are also launching a series of encouraging messages for more people to get involved in ministry. Please pray that the Holy Spirit would speak through these messages and add more volunteers to those already serving.

Ecuador

Adam & Carol Duncan — Praise the Lord for wonderful progress with the Barrio de Cielo Azul project; people are working cooperatively, and the leader is a Christian who is viewed well by all. Pray for Caleb as he continues to recover from Dengue fever, that his energy levels will return to baseline.

France

Alejandro & Breanna Johnson – We appreciate your prayers for our family as we celebrated the life of Alejandro's grandmother. Currently, Alejandro's car is in the shop, which will make it difficult for us to be able to travel to churches. Please pray for the problem with his car to be resolved soon so that we will be able to travel!

Matt & Cristina Price - On Tuesday, Cristina will have a kidney stone removed. Pray that the doctors can get the entire stone. She has been dealing with stones for several years.

India

India Partner (Friends of India) – Pray for Dr. Don Hanna and his wife Milly, who left for India March 9. Dr. Don will attend the FWB Conference in North India. He also plans to visit our pastors in South India before returning to the States. Milly plans to visit her family as well.

International Students/USA

Steve & Lori Torrison — Pray for health, safety, and favor as we travel to raise support.

Ivory Coast

Ivory Coast Partnership – Please pray for a pre-Easter evangelistic campaign that the National youth organization of Ivory Coast will be holding to support a church plant.

Kenya

Eddy & Amanda Simmons – Pastor Francis went to a new place last week and got to talk with NINE MEN! Pray that when he returns this week, those nine men will return and bring even more men with them.

Panama – Praise the Lord for a joint service of three FWB churches held in Chame, Panama, where five people were baptized!

Spain

Anthony & Lea Edgmon – Praise the Lord with us for good reports from Alpedrete. During a recent business meeting, attendees were challenged about the importance of church membership. We are encouraged to hear that several people are interested in taking this next step of commitment.

Sam & Lauren Riggs – Sam and the kids have been sick on and off for the last month. Please pray for them that they will finally start to feel better and stay healthy!
