## Prayer Requests

### **Brazil**

**Brazil Partnership** – Praise the Lord for seven people baptized at the Lafaiete FWB Church in Brazil on March 17.

### **Bulgaria**

**Tim & Lydia Awtrey** - Pray for me, Tim, this Thursday as I meet with an architect to discuss the possibility of a future new church building in Svishtov.

**Brenton & Debbie Driscoll** – We are in the thick of re-applying for Brenton’s visa. Please pray for this process that it will go smoothly without any hiccups. Join in praying with us that we will be back in Bulgaria by the end of July to both celebrate Debbie’s brother’s wedding as well as get settled into life and ministry before baby number three arrives!

**Dennis & Mary Heath** - Please pray for our familiarization visit to Bulgaria this week. We are excited to visit and worship together with our fellow missionaries and brothers and sisters in Bulgaria.

**Trif & Vanya Trifonov** – Please pray for the organization and running of two seminars on the Christian Family and Its Role in Society on Sunday, March 31. The event is held on the occasion of Annunciation and is a joint project of all the churches in Varna. Pray that our people would be able to invite their non-Christian friends, too!

### **Cuba**

**Cuba Partnership** - Pray for the economic situation in Cuba. Food and fuel shortages have been common, and peaceful demonstrations, especially in the eastern part of the island, have sprung up. Pray for those who are struggling to make ends meet.

### **Ecuador**

**Adam & Carol Duncan** — We praise the Lord that both Caleb and Moriah are fully funded for ETEAM! This is Holy Week; we're thankful that more people are open to the resurrection message during this time. Pray for continued unity of the three "neighborhoods" involved in the Awatino water project and for the Gospel message to be spread to all involved.

## **France**

**Alejandro & Breanna Johnson** – Please pray for the people of France as we move into Easter week, that the meaning of this season would become real for them.

**David & Myriam Reeves** - Please pray for our travel back to the US on April 4. Pray for a smooth transition for our family.

## **Japan**

**Doug & Miriam Bishop** – Pray for our Easter outreach events this weekend. We have a kids' party on Saturday, and a special service on Sunday. There are several guests who plan to attend. Please pray that all will go well, and that the message of Easter reaches their hearts!

**Osam & Emily Sakamoto** - We praise the Lord for the salvation of two kids! Also, we have a photography outreach trip coming up this Saturday. Please pray for non-believers to come.

## **Kenya**

**Eddy & Amanda Simmons** – All the believers in Sesia will be gathering together on Resurrection Sunday to worship the Lord and celebrate the Lord's Supper and footwashing together, as well as having an extended prayer time. Pray that the Holy Spirit will work and move in their hearts, lives, and families.

## **Panama**

**Panama Partnership** – Praise the Lord that Pastor Daniel is recovering well at home from his quadruple bypass heart surgery.
