Bangladesh

Bangladesh Partnership - Pray for a quick solution for the church that has their building padlocked by the authorities.

Bulgaria

Tim & Lydia Awtrey - We have applied for a European Union grant to fix up our church building's facade, which is in dire condition. Please pray with us that we would be approved for this grant to repair our building.

Dennis & Mary Heath - Please pray as our travel schedule ramps up. Pray for the necessary steps required for our departure. Please also pray for financial support for several building projects in Svishtov, Shumen, Pleven, and Varna.

Trif & Vanya Trifonov - Easter in Bulgaria is on May 5 this year. Please pray for the preparation for our biggest Easter outreach event called the "Mark Drama." Pray for a good number of non-Christians to turn in and for the Holy Spirit to do His work in them.

Brenton & Debbie Driscoll - We praise God for His amazing provision and for receiving financial clearance to return to Bulgaria. Please continue to pray for all of the paperwork we still need before we can purchase our tickets to Varna (Debbie's green card and Brenton's Bulgarian visa).

Ecuador

Adam & Carol Duncan - Pray for our work with the Pusuno Bajo school. Adam will be doing some electrical work and Carol will work with the kids. Please also pray for unity in the Machacuyacu & Awatino communities.

France

Alejandro & Breanna Johnson – Please be in prayer for us as we continue to travel raising support! We are so grateful to those who have been so generous and prayerful with us thus far.

India

India Partnership – Pray for pastor Lugun and the believers in his village. The community is upset with them because they will not participate in the Hindu festivities and have threatened to tear down the church building and the homes of believers.

Ivory Coast

Ivory Coast Partnership - Praise the Lord for the successful evangelistic campaign organized by the National FWB Youth organization in the northeastern village of Laoudi-Ba. There were many that responded to the Gospel. Pray for their follow up. We also praise the Lord for 15 people who were baptized on Easter Sunday at the Nassian FWB Church, where Edmond Kouadja is the pastor. We also rejoice for the successful National Women's Retreat that took place in Doropo with 783 women registered.

Japan

Ken & Judy Bailey – The new school year began in Japan this week and all the KCC children began their new classes today. Please pray as they study and share the love of Christ with their classmates. KCC church member, “Mrs. A”, is returning to Korea this week for the memorial service of her mother-in-law who has just passed away. Please pray for her family, her travels, and safe return to Japan.

Kenya

Eddy & Amanda Simmons - In anticipation of our return to Kenya, we have begun the long process of getting our work permits. We have already encountered some unforeseen issues. Please pray for godly wisdom for the expert who is helping us in the process, and pray for favor with the Kenyan immigration officials.

Pakistan

Pakistan Partnership – Pray for FWBs as they plan to open a vocational institute to train young people so that they can be self-supporting and break the cycle of poverty. Pray that they will have the resources to undertake such a huge task.

Spain

Anthony & Lea Edgmon – This weekend members of the Alpedrete Church praise team will hold a retreat. Please pray for God's guidance as they train to lead the congregation well.
