Prayer Requests

Argentina

Argentina Partnership - Pray for our brothers and sisters as annual inflation is nearing 300%, making it difficult for them to make ends meet financially. Many are in serious need.

Brazil

Brazil Partnership - Pray for the bi-annual meeting of the Alliance of FWB Churches in Brazil that will take place from April 19–21 in the city of Juiz de Fora. Praise the Lord for the church plant in Guararema that was able to secure a new leased location and had their first service there. Pray for their outreach to their new community.

Bulgaria

Trif & Vanya Trifonov - Praise God for the new volunteers who signed up to help with different ministries. Please pray for the organization and running of the Mark Drama evangelistic event (a theater show our youth are going to present twice next weekend) and for the Easter Bread House in the eve of Palm Sunday.

Josh Provow - Praise God for the new launch in the Kalugeritsa neighborhood of the town of Kaspichan! In the second week of this new plant, nine people from the neighborhood came and took part in the worship service. Also, praise God that Pavel's visa has been approved for our upcoming time in the U.S.!

Cuba

Cuba Partnership - We are thankful to spend time with Leandro Pozo, FWB pastor and leader in Cuba, this week as he visits many FWB churches here in the States to raise funds and support for the many ministries taking place with our partners in Cuba. Join us in praying for the theological seminary, Cuban missionaries, church-planting efforts, youth camps, and many more ministries.

Ecuador

Adam & Carol Duncan – Praise the Lord, we received our Resident Visas, these will be valid indefinitely if we meet the yearly requirements. Pray for projects here as we prepare to visit the States this summer (Our departure is 40 days away).

Ivory Coast

Ivory Coast Partnership - Praise the Lord for a child evangelism event that an evangelistic team called Témoins de Christ (Witnesses of Christ) conducted this past weekend at an orphanage in Abobo – this is in the metropolitan area of Abidjan. They used Operation Christmas Child boxes to give out to the children.

Japan

Doug & Miriam Bishop - Doug is attending a church-planting conference in Tennessee this week. Pray for good connections to be made and also pray for Miriam as she “holds down the fort.”

Daniel & Kate Speer – Pray for our kids as they start new schools this week. Also, pray for the connections we are making through the school and in our neighborhood, that we would have many opportunities for Gospel conversations.

Tristen & Sierra White - Pray for clarity and rest for our minds as we continue in our CIT training to prepare for the field!

Kenya

Eddy & Amanda Simmons - Praise the Lord with us! Pastor Francis picked up the first shipment of new solar players. Our Samburu Leadership Team will listen to the complete content to be sure it's accurate, then a select group will test them for quality and durability. Pray for wisdom for them.

Pakistan

Pakistan Partnership - Praise the Lord for 11 people that were baptized this past weekend.

Nehemiah Trust – Praise the Lord for an update of the salvation of 14 former Muslims in a very remote location.

Spain

Anthony & Lea Edgmon - Praise the Lord for a productive Alpedrete praise group retreat. Members of the group composed an original worship song during their time together. We have prayed for this for many years and are so thankful to see it happen.

Josh & Bethany (THP) – I (Josh) have a first one-on-one meeting on Wednesday (April 17) with someone who does not know the Son.

Uruguay

Uruguay - Pray for several of the churches that are launching mid-week prayer and Bible study in homes to try to reach their communities. Pray for the Emanuel FWB Church in Malvin Norte (Montevideo) as they celebrate their church anniversary this weekend.

Educational Specialists/ITA

Jeff & Susana Turnbough - Thank you for your prayers for our friends and members of the Villalba Church who have completed the kidney transplant. We thank the Lord that the transplant has been successful, and both are doing well!
