Prayer Requests

Bangladesh

Bangladesh Partnership - Praise the Lord that our partners were able to start a sewing vocational school to help women have a source of income to support their families.

Central Asia

Central Asia Partnership - Praise the Lord for a good trip to the Pamir area of Tajikistan where we heard stories of conversions of a handful of believers that exist among this people group and visited several families that are close to making a decision. Pray for Mr. R., a man of influence in his community that at times has been a help and other times a detriment to the work of evangelism. Pray for his salvation.

France

Matt & Cristina Price – Cristina has submitted our request to homeschool the girls for next year. This is a new requirement that the government requires of homeschool families. Pray that we would gain favor from those who look over our application and that they would grant our request.

India

India Partnership - Pray for the CMP team that is flying to India this week. Several barriers have come up to keep the students from going to spread the Good News.

Japan

Jack & Ashley Ketteman – Please pray for a good close of this term of language school and preparation for upcoming tests as we also prepare for a busy summer of ministry.

Kenya (Samburu People)

Eddy & Amanda Simmons – After a tragic death in Sesia last week, Pastor Francis will be leading the believers this Sunday to explore what the Bible teaches about death and suffering. Please pray for Pastor Francis and also that the believers will leave the worship gatherings equipped to share truth and the reason why they have hope.

Pakistan

Pakistan Partnership - Pray for the Christian community. Once again, a fanatical mob attacked a Christian with false accusations, burned down his business, and then proceeded to burn down other Christian homes.

Spain

Anthony & Lea Edgmon - Students from the Alpedrete church are entering the final weeks of the school year. Please pray for our high school and college students as they face important exams and the stress that comes with them. Pray they will glorify Christ in their school where many are alone in their beliefs.

Chris & Tori (THP) – Please pray for one of our dear Ten42 team members, Jennifer, who has been placed on hospice care after a brief battle with cancer. Pray that our team would be able to share Christ's love to her family, to our volunteers, and to our beneficiaries who love Jennifer. Pray for us as we grieve this current and future loss.

Our family is preparing to transition to the US for a 6 month stateside assignment. Please pray for this transition for our family and our team.
