Prayer Requests

Argentina

Argentina Partnership - Pray for the leadership of the work as they make decisions about the opportunities that are presenting themselves to them. Pray for the Lord to raise more leaders to meet the needs of a growing church.

Bangladesh

Bangladesh Partnership - Pray that the local government land office will approve the purchase of property where our partners plan to build a ministry center. There has been opposition by some authorities to allow Christians to purchase land.

Brazil

Brazil Partnership - Pray for a group of four Brazilian FWBs that will be traveling to Tajikistan at the end of the month, using soccer as an outreach to communities our partners in that country are trying to reach.

Pray for the population of the most southern state that is suffering with torrential rains that have lasted over a week, causing extensive flooding all over the state with many deaths and displaced people.

Bulgaria

Trif & Vanya Trifonov - Praise God for the good attendance of our Holy Thursday and Easter church services! Pray that the new people who came to our evangelistic events before Easter will consider coming to church again!

Central Asia

Central Asia Partnership – Pray for outreach efforts to an unreached people group, the Pamir, who live in an isolated mountainous area.

France

Jonathan & Michelle Chereau – Please pray for our upcoming travel to France next Monday (May 13)! Pray for a smooth trip, for all suitcases to arrive safely, for the girls, and the family in general. Thank you!

Alejandro & Breanna Johnson – Alejandro officially graduated with his Master of Divinity, and Breanna is officially finished with her full-time daycare job! Please pray for us as we transition into traveling and support raising full time!

Japan

Doug & Miriam Bishop - Pray for our upcoming kids' outreach on May 18. Also, pray for us as we prepare for our CMP intern who will arrive this month. Pray for many divine appointments while she is here.

Rusty & Brenda Carney – Please pray as we prepare to receive four college-age intern girls that will be arriving later this month and staying for about six weeks. Pray we are able to get things set up in a good way to host them and the Lord would set up many divine appointments while they are here. Pray the Lord would bless all their efforts to reach the Japanese with the Gospel and many souls would be drawn to Christ!

Taylor Pate – This Sunday (May 12) I will be giving my testimony at our church. My friends are planning on coming to hear it, so please pray that it will be impactful and that the Spirit will be present.

Billy & Sunni Champion – Pray for us as we begin raising support. Also, pray for us and our church, Philadelphia FWB in Folkston, Georgia, as we work through a transition from pastoring to the mission field. Pray that God will provide the church a faithful pastor.

Kenya

Eddy & Amanda Simmons – Please pray for our Kenya work visas to be approved easily and quickly!

Spain

Anthony & Lea Edgmon - The Alpedrete church is preparing to cheer on its children and young people in the Evangelical Olympics on Saturday, May 11. This special day is more than a sporting event. It is an encouraging time for young people to see they are not alone in their belief in Christ. Pray for safety for each participant and God's work in each heart.

Josh & Bethany (THP) - Pray for us as we transition from language school to full-time work at the center. Pray for Bethany and the baby. Also, pray for us as we teach children's Sunday school this week.
