Prayer Requests

Brazil

Brazil Partnership - Pray for the ETEAMs ministering in Jaboticabal and Araras.

Bulgaria

Brenton & Debbie Driscoll - This is our final week in the States before we move to Varna, Bulgaria, on June 26! Pray for us as we pack our last suitcases, say goodbyes to dear friends, and transition into new ministry at the end of this month.

Ecuador

Adam & Carol Duncan - Please pray for the effects of recent landslides and mudslides in our ministry areas. It has blocked many roads and some have lost their lives. Continue to pray for Caleb and Moriah's ETEAMs that they would be effective in their work this week.

France

Alejandro & Breanna Johnson - We will be traveling to east Tennessee on Wednesday for a service and then to Ohio on Thursday for their state meeting!

International Students/USA

Darren & Dana Portell - The Portells are enjoying a week at the office. We have already been so encouraged by our time with the IM staff and are thankful to labor with them to

fulfill the Great Commission. Please pray that we will be wise stewards of the training and resources being provided for us this week so that we can join our teammates to minister to international students at the University of Illinois.

Japan

Billy & Sunni Champion - Our travels are underway. Pray for us as we make our way to North Carolina for a couple of services this week.

Kenya (Samburu People)

Eddy & Amanda Simmons - Praise the Lord with us that one of our church members who caused trouble in her family publicly repented at church! Pray that she will choose to follow the Lord consistently.

Panama

Panama Partnership - Pray for ETEAM Panama as they minister and interact with people there.

Spain

Anthony & Lea Edgmon - Two of our youth from Alpedrete arrived this past week to spend the summer here in the US. Another of our teens will arrive in a couple of weeks to participate in Truth & Peace. Please pray that these experiences will be used of God to continue to mold these young people to the image of Jesus Christ.

Josh & Bethany (THP) - Thank you to all who have been praying for our friend and coworker, Jen. She is now with Jesus. We are thankful she is not in pain, but we are sad for our loss here. Please continue to pray for her husband, children, and all those that love her. We are thankful for the hope we have that we will see our friend again someday, but many of our volunteers at the center and beneficiaries do not have this hope. Would you pray specifically that God would use this situation to bring them closer to Him; that they would choose to follow Him? Pray God gives us the words this week to comfort and share hope and answer some of the very difficult questions they have like, "How can a good God let bad things happen to someone who followed Him?"
