## Prayer Requests

### **Bangladesh**

**Bangladesh Partnership** - Pray for a new training program initiated to teach women how to sew so that they can be employed by the many manufacturers of clothes in the country. Those in training will be exposed daily to a devotional before classes start.

### **Bulgaria**

**Tim & Lydia Awtrey** - We thank God for the amazing work of our CMP group in reaching out to the young people in our city. Please pray for a young girl who has started attending church because of the testimony of the CMP students. She wants to attend church, but is hiding it from her friends and neighbors because in Bulgaria we are considered a cult. Pray that "S" would grow in the faith and not give up when the CMP group leaves.

**Brenton & Debbie Driscoll** – We are so excited to fly to Bulgaria this Wednesday, June 26! God has done amazing things to get us to this point, and we praise Him for His faithfulness! Please pray for our family as we travel and transition back to life in Varna, Bulgaria.

**Trif & Vanya Trifonov** - Please pray for an elderly lady and her two daughters after their husband/dad passed away last week. I have known them for a long time, so I led the funeral service. Please pray that they would respond to my invitation to come to church.

### **Central Asia**

**Central Asia Partnership** - Pray for the conversion of a gentleman named Rodomon – a key figure in his village who has been open to the gospel.

## **Ecuador**

**Adam & Carol Duncan** – Praise the Lord that the Barrio de Cielo Azul Project was completed while we have been stateside! Pray this will be a meeting space used for Bible studies and a safe place for kids to play. Pray for our kids as they fly back to the US from E-TEAM today. Next week, we will travel to Colorado for a missionary debrief, which we pray is a rejuvenating time.

## **France**

**Alejandro & Breanna Johnson** – We are so grateful for your prayers of safety of travel last week as we went to Ohio. This week, we are headed to South Carolina. Please pray for safety of travel, as well as for the hearts of the congregations we will be speaking with, that they will consider how the Lord is calling them to partner with us.

## **India**

**India Partnership** - Pray for two ladies who recently indicated they want to be Christ-followers. Pray for healing for the younger one who has not been able to speak for ten years. Pray for the conversion of the families of Hindu children who recently participated in a summer camp and were exposed to the teaching of the Bible.

## **Kenya (Samburu People)**

**Eddy & Amanda Simmons** - We are en route to Kenya! We will have to stay in Nairobi until our work visas are approved. We have gotten several warnings from the U.S. Embassy about ongoing demonstrations against new taxes with many injured and a few killed. Please pray for peace, wisdom, and traveling safety, as well as for our work visa approval.

## **Pakistan**

**Pakistan Partnership** - A couple of recent incidents where Christians were falsely accused of burning the Quran, which incited a mob that beat and burned the accused to death, has had a chilling effect on the Christian community which lives under constant threat from religious radicalism. Please pray for Christians in Pakistan to remain strong in their faith, even as they face persecution.

## **Panama**

**Panama Partnership** - Pray for Mrs. Adelaida, wife of retired pastor Tomás Mendoza, who will be undergoing bypass surgery on Tuesday. The surgery is considered riskier than usual.

## **Spain**

**Josh & Bethany (THP)** - We had a "M" man in our study this week. Pray he returns next week as well. Continue praying for Bethany and our baby girl, who will be here in September. Of course, pray for the team here as Chris and Tori leave for the States this week.

**Daniel & Karah (THP)** - Our BIG goal is to be in Spain by the end of the year. We found out recently that for this to even be possible, we have to reach 80% by OCTOBER. That's only about 3 months to raise 39% more. We need prayer warriors to join us in prayer for this request. Would you PRAY with us?

## **Uruguay**

**Uruguay Partnership** - Pray for the ordination as pastor of Ismael de Olivera on July 6. He has already been serving as the leader of the Cristo es el Camino FWB Church in Rivera. On the next day, July 7, Pastor Ruben Figueroa will be installed as the new pastor of the Canaan FWB Church, also in Rivera. Pray for him as he leads the oldest FWB church in Uruguay.
