## Prayer Requests

### Bulgaria

Dennis & Mary Heath – Please pray for our attendance at the Center for Intercultural Training (August 11-September 6) and Perspectives Intensive (September 8-13). We are praying that we will be approved for departure to Bulgaria on September 18, in time to participate in the national convention there beginning September 21.

Trif & Vanya Trifonov - Praise God for the wedding of our son, Stefan, and our beautiful daughter-in-law, Vivka. It was a great celebration where Jesus was in the center and many of the non-Christian guests, plus many passersby, heard the good news. We even invited some to church. Please pray that they would come!

### Cuba

Cuba Partnership - Praise the Lord for a very successful children's camp at the seminary campus in Pinar del Río and a regional youth camp in Las Martinas!

### Ecuador

Adam & Carol Duncan – Continue to pray for the political situation in Ecuador. Venezuela recently had their elections; effects are felt here as well. We have two more weeks in the States before we return.

### India

India Partnership - Pray for two pastors that have family members in the hospital in serious condition.

### International Students

Darren & Dana Portell - Please pray for us as we transition next week from our temporary home in Tennessee to our temporary home at Camp Hope in Illinois. Please pray for us to fill up our calendar with church services and meetings with individuals interested in being part of our partnership team.

### Ivory Coast

**Ivory Coast Partnership** - Pray for the organization of the annual business meeting of the National Association that will be held in Doropo August 14-16.

## **Japan**

**Tristen & Sierra White** - We have been in Japan for one week now! Our team has been amazing and we have felt God's continued blessings as we are settling in. Please pray for rest and energy as we jump into ministry!

## **Kenya (Samburu People)**

**Eddy & Amanda Simmons** – We are still in Nairobi, waiting for our work visas. Amanda is having some further tests run, after having some symptoms that led to finding free air in her abdomen on Monday. Please pray for quick healing.

## **Spain**

**Anthony & Lea Edgmon** - We appreciate your prayers as we travel back to Spain today (July 30th) and arrive there on Wednesday (the 31st). We are looking forward to reconnecting with our church family and other friends in the next few days and weeks.
