Prayer Requests

Bulgaria

Tim & Lydia Awtrey - Pray for many families in our churches who are facing persecution from friends and relatives because of their faith in Jesus.

Dennis & Mary Heath – We arrived for Center of Intercultural Training yesterday. Please pray we do well and gain the skills needed to be successful in Bulgaria.

Trif & Vanya Trifonov - Praise God for the new people who started attending our church services at New Life Church in Varna. Please pray that they would be rooted in the faith and start our discipleship program in the fall.

Josh Provow - Please pray for the ongoing construction of the new building for the church in Shumen. Lord willing, the renovation will be completed next month!

Jonathan & Amy Postlewaite - Amy is assisting at a Child Evangelism Fellowship (CEF) camp at the Bulgarian seaside this week. Many of the kids at the camp are not Christians. Please be praying for everything to go well.

Jacob & Hailee Voltz – Please pray for us as we start language learning again. Also, Aurora has some routine six months testing. Pray for a good report with normal results!

Cuba

Cuba Partnership - Praise the Lord for a very successful national “juvenile” camp (pre-teens and young teens) last week with many making decisions for Christ. Pray for the youth camp (older teens and young adults) that is happening this week. Pray for the College Missions Program (CMP) team from IM that is helping out with the camp.

France

Matt & Cristina Price - On August 27th, a young lady in the St. Nazaire will be baptized. She is expecting 25 non-Christian family members and friends to be at church that day. Pray that the Holy Spirit will begin working now in the hearts of those who will be in attendance.

Shane & Joy (THP) - August is vacation time for many in France. We are able to spend more time than usual with our friends and contacts while they are not working. Pray that this time together will lead to more frequent Gospel conversations.

India

India Partnership - Please pray for a pastor who is currently in hiding to avoid arrest for an accusation of “conversion”, which is illegal in his state. Pray also for his family. Pray for several other pastors who are experiencing serious illness in their families.

Ivory Coast

Ivory Coast Partnership - Praise the Lord for the national youth camp that took place in Yamoussoukro last week! Pray for the business meeting of the National Association which will take place in Doropo this Wednesday through Friday.

Japan

Rusty & Brenda Carney – Please pray for us as we will be homeschooling our children this school year starting next week. Also, pray the Lord would provide roughly \$450,000 for a new building for our church (Kamifukuoka Christ Church). There is a building up for sale that would be perfect for our church and is on a main street across from a shopping mall. Please pray about giving to our IMPact project (IMPact Japan-Kamifukuoka) [here](#).

Billy & Sunni Champion – Please pray for our family as we begin another year of homeschool and begin traveling and fundraising full time in September.

Kenya (Samburu People)

Eddy & Amanda Simmons – We praise the Lord that Amanda has regained her strength and has had no more symptoms! We will return to Nairobi on August 14 to renew our driving licenses and purchase the rest of our supplies over the weekend. Next week, we will go back to our home in Sesia!

Pakistan

Pakistan Partnership - Pray for believers who were rescued from slavery and relocated to a village that has been affected by floods from heavy recent rains. They are losing their precarious homes and belongings.

Panama

Panama Partnership - The church plant in Chepo reports that they have eleven new converts and have started new preaching points in Río Paja de Cañita and Capira with five new converts in each. Praise the Lord!

Spain

Josh & Bethany (THP) – Pray for a friend we call “Samuel.” He is very curious about the “Son” but is open to listening to the “Word” when brought up. Also, pray for Bethany as she is 8 months pregnant and navigating a hot August.
