Prayer Requests

Bulgaria

Brenton & Debbie Driscoll - Join us in praying for James. He started kindergarten this past week and the transition has been tough, both in not understanding the language and being away from home. Pray for a supernatural understanding of what is going on around him and for his little heart. Pray that we will have confirmation in regards to Debbie's application for U.S. citizenship soon! What a huge blessing it would be to have this over with, especially after having this hanging over our heads for the past four years!

Jonathan & Amy Postlewaite - We praise God for an amazing National Conference last weekend with people from all of our FWB churches in Bulgaria! It was a great joy to see all of our people encouraged by the opportunities to connect with other believers and hear one another's testimonies! Pray for the three seekers who attended the conference with our group from Pleven and were very responsive to the things that they heard and experienced. Pray for Amy as she starts a part-time English teaching job at a language school next week. Pray for several new believers from our churches who are experiencing opposition from friends and family.

Cuba

Cuba Partnership - Praise the Lord for 26 people who finished a chaplaincy course and will be working in jails, prisons, and hospitals. Praise the Lord for a full house during the 71st anniversary celebration of the FWB Church in La Lisa (greater Havana area) called "Encuentro con Dios" (Encounter with God).

Ecuador

Adam & Carol Duncan – Adam is in the U.S. this week, teaching in a police training. Many are not believers and emergency services personnel see much trauma. Continue to pray for our work of healing relationships within the Body of Christ and wisdom as to how to respond biblically in each conversation.

France

Shane & Joy (THP) – Preparation for the annual Christmas Carol Service that will take place on December 1 has begun. In coordination with local churches, we lead a choir that sings English Christmas Carols, and the entire city is invited to join us. In addition to the music in English, Scripture and a Gospel message are shared in French. Last year more than 700 people attended. Start praying with us now that lives will be changed as the name of Emmanuel "God with us" is shared in the special service.

Alejandro & Breanna Johnson – This Saturday, some of our team will be holding a JPense event! This will be a great opportunity for our team to share the gospel as well as discuss the question, “Is belief in God a psychological crutch?” Many people will be there to discuss this question with believers probably for the first time! Please be in prayer for our team as they prepare and for the individuals attending this event, that their hearts would be softened to the Gospel.

India

Friends of India - Pray for Pastor Stanley RajKumar as he makes plans to come for a visit to the USA the end of October. Pray for those who are planting new churches in North and South India even under opposition. Pray for the Youth Revival on October 2 in South India. They are expecting over 200 people for the meeting.

Japan

Nathan & Linda Snow - Pray for the movement and direction of the Holy Spirit this week at the Lausanne Congress on Evangelism in Seoul, Korea. Over 5,000 participants from 222 countries are gathered to explore ways to work together to effectively reach the unreached with the Gospel!

Kenya

Eddy & Amanda Simmons – Continue to pray for healing of Eddy’s eyes. Pray for the Samburu warriors that are being trained to put the Word of God above culture. Praise the Lord with us for some fantastic discipleship opportunities recently.

Panama

Panama Partnership - Praise the Lord for a successful Sunday School teacher training done in Panama City with 20 people participating from three of our FWB churches in the area.

Spain

Anthony & Lea Edgmon - Please pray for the members of our church board as they prepare for a meeting this weekend. May God be glorified as they look back over what He has done during the months we were in the U.S. May His will be evident as they plan for the future.

Sam & Lauren Riggs - We praise the Lord for His answer to prayers! We arrived in Spain on September 10, and one week later, we signed on an apartment. We move in today. Please pray for our move-in process, and as we try to get an appointment at the town hall so we can register our new address and start trying to get Emilia in a school.
