Prayer Requests

Bulgaria

Trif & Vanya Trifonov - Please pray for our youth as we resume the youth group meetings this Saturday. Pray for our teens to prioritize this meeting and also pray for creativity and love from the youth leaders.

Cuba

Cuba Partnership - This past weekend, the National Youth organization organized a mission trip to a place called La Sierra. Activities included Bible studies and prayer meetings with the youth, a visit to a nursing home with group activities for them, and child evangelism. Praise the Lord!

Ecuador

Adam & Carol Duncan – Continue in prayer for our area’s ten-hour daily power outages. This effects many businesses, schools, and many of our programs. Pray also for this weekend’s clinics and services in Bell Vista Alto, the community much deeper in the jungle that we assist with.

France

Alejandro & Breanna Johnson – We have made it to the Center for Intercultural Training (CIT)! Please pray for us as we take in the information and experiences that the Lord would have for us here. Also, please pray for the facilitators here, as many of them are just now getting electricity and water back in their homes, that they would adjust well.

Matt & Cristina Price - This week is our pastors’ training in Notsé, Togo. Pray for each person in attendance that God will encourage them in their ministry. Praise the Lord for a young man that we met in Lomé who gave his life to the Lord. Pray that Kossi would continue to feel God’s presence in his life.

International Students

Darren & Dana Portell - Last weekend we had a full weekend speaking three times at services. We also spent time with our teammates and met English Corner students which was such an encouragement. Please pray for us this week as we travel to the St. Louis area and as we speak this weekend at Pleasant View FWB Church in the morning and help at the block party at Ina FWB Church.

Japan

Daniel & Kate Speer – Pray for New Life Church as we continue to reach out to the surrounding community in Ebetsu. Also pray for Daniel as he continues preparing and giving sermons in Japanese once a month while still in language study.

Kenya

Eddy & Amanda Simmons – Pray for the leaders that are teaching the Bible in the schools each week. Pray that the children will be sharing what they are learning with their families and that they will want to know more about Jesus!

Spain

Anthony & Lea Edgmon - Thank you for praying for our church retreat. It was a wonderful time of challenge from Scripture. God's moving was evident. Please pray for each believer as we act in obedience to what He is asking us to do.

Josh & Bethany (THP) - Leila has arrived! She was born on October 2 and though she was late, she has remained quite small. Pray for momma, baby, brother, sister, and papi. It is a lot to adjust to. Pray for the center as Bethany is on maternity leave and Josh is working minimally the first couple of weeks.

Uruguay

Uruguay Partnership - This past Thursday, all our pastors and some other leaders in Uruguay participated in a training seminar for leaders along with leaders from two other denominations with 40+ participants. Converge, our partner in Uruguay, organized the seminar. Praise the Lord for the good feedback we received from this equipping event.

Global Partners

Global Partnerships - Pray for Global Partnerships Director, Kenneth Eagleton, missionaries in France, Dennis Teague and Matt Price, and Ivorian pastors Samuel Ouattara and Paul Amiezi as they conduct a training seminar for pastors in the West African country of Togo this week. Pray for wisdom as they evaluate opportunities for starting a FWB work in that country.
