Prayer Requests

Bulgaria

Josh Provow - Please pray for my friend V and me on October 23 as we go into several new villages with the hope of arranging Operation Christmas Child parties.

Brenton & Debbie Driscoll - Praise God for the three non-Christians who came to the first of our Alpha group meetings! Pray that the Lord will use the next 11 weeks to draw them to Himself.

Cuba

Cuba Partnership - Please pray for Cubans who are undergoing power outages, heavy rain, and shortages. This is causing civil unrest and the government does not have a solution.

Ecuador

Adam & Carol Duncan – Please continue to pray for rain. In some communities, people must walk for miles to find fresh water and we've noticed more illness due to this drought. Continue to pray as we work toward relational healing in our community.

France

Shane & Joy (THP) - Our team is hosting the France Field Team meeting this week. We have 22 people meeting together Wednesday, Thursday, and Friday. Pray for each worker here in France as we discuss ministry business and seek the Lord to guide and direct us in the work that He has called us to do.

International Students

Darren & Dana Portell - We are traveling to Tennessee for meetings with potential financial partners this week. We will be in Indiana for their missions conference this weekend. Please pray for hearts that are open to coming alongside this ministry.

Japan

Rusty & Brenda Carney – Praise God Mr. A's neck surgery went well. Although not a Christian yet, he is talking about wanting to come to church after he gets out of the hospital! Please pray for his continued recovery and for his salvation.

Kenya

Eddy & Amanda Simmons – We're back in Sesia after an INCREDIBLE time in Bulgaria, ministering alongside the Postlewaites. The ministry continued here while we were gone, with five people being

baptized last week! Pray for rain and for the Bible classes that our people are teaching within the school system here.

Spain

Anthony & Lea Edgmon – Praise the Lord with us for the three men who were baptized this past Sunday. Their testimonies were a blessing to the whole congregation. Pray for each of these men as they continue to grow in their walk with Christ and as they share their faith with those around them.

Sam & Lauren Riggs – Please pray for our family to be in good health! We have been passing around some sickness or another for almost a month now.

Daniel & Karah (THP) – Please pray for us as we are in our second of six weeks at the Center for Intercultural Training. Please pray that our funding would continue to increase and that we would be fully funded by Thanksgiving.

Josh & Bethany (THP) – A friend from South America prayed to join the family during the study last week with Manu. Pray for the follow up afterwards. We are excited that other friends from Africa are opening up as well. Pray for Leila, Bethany, and our whole family as we adjust to life as a family of five.
