Prayer Requests

Argentina

Argentina Partnership - The Rosario FWB Church sponsored a special activity for children in a slum of the city. They provided scrubbing of hands and feet, hair washing, ridding their hair of lice, and fingernail polishing for the girls. They gave them clean clothes and had fun activities for them, besides presenting them with Bible stories.

Brazil

Brazil Partnership - Praise the Lord for a children's and youth camp held in Jaboticabal this past weekend as a joint activity of four of our FWB churches! The camp was attended by 87 campers and more than 40 volunteer adults.

Bulgaria

Tim & Lydia Awtrey - Please pray for a special event we will be hosting for Reformation Day on Wednesday. We have invited a lot of non-church friends and family members. Pray that they will hear the Gospel with open ears.

Brenton & Debbie Driscoll – Our two oldest have been quite sick for the past week. Please pray for complete healing and renewed strength for them. We are also having our Bulgaria field team meeting in Varna this weekend, so please ask God to bless our whole team as we prayerfully plan for the next year.

Trif & Vanya Trifonov - We praise God for a teenager in our church who joined our team of Bulgarian language teachers for the Ukrainian refugees and is already doing a great job. We are also praising God because many of the Ukrainians got a copy of the Gospel of John with parallel texts in Russian, Bulgarian, and English after we encouraged them to use it to learn Bulgarian language. Pray that they would do so!

Jonathan & Amy Postlewaite - Pray for the many discipleship Bible studies we lead every week.

Ecuador

Adam & Carol Duncan - Praise! We are receiving a nice downpour of rain in the jungle today! Pray that the additional rain will lessen the power cuts, which are set for 14 hours each day. Pray for our effectiveness during this time in healing relationships and developing healthy national leadership within churches.

France

Shane & Joy (THP) - Thank you for praying for the France Field Team meeting that took place last week. It was excellent to be together because that does not happen very often. Continue to pray for our churches and ministries in France as we all seek to make His name known among the nations.

India

India Partnership - Our partners organized a conference for 500 believers, did evangelism, prayed for those with needs, and carried out an outreach into a leprosy village with 40 families. The families were fed, given blankets, and received the Word of God.

International Students

Darren & Dana Portell - Please pray for my family (Dana) as we grieve the passing of my dad, Donnie Zimmerman.

Japan

Shannon Little - I'm returning to the States on November 20 for vacation followed by a six-month Stateside assignment. Please pray for a good transition and for Debbie Griffin as she takes over several of my classes.

Taylor Pate – This Saturday (November 2), New Life Church will be hosting a kids' fall festival! Will you join me in praying for this event? Pray that new kids will come and that we can make strong connections.

Kenya

Eddy & Amanda Simmons - We praise the Lord for several Samburu men consistently attending the worship services. Please continue to pray for our critical ministry need of Samburu men of every age that are completely surrendered to Jesus (more than culture!), and who are burdened to share the Word with others.

Spain

Anthony & Lea Edgmon - Praise the Lord with us for a full house for our church fellowship meal this past Sunday. We also had choir practice in preparation for Christmas. We appreciate your prayers for God's guidance and help as we are looking to perform several times this year in different places.

Global Partnerships

Global Partnerships - Praise the Lord for a successful training of 18 pastors and other leaders recently in the country of Togo. Pray for us as we lay the groundwork for getting a FWB work started in that country. Pray for a policeman that prayed the sinner's prayer in the capital, Lomé, the day before we flew out. Pray that he will become a part of a church and get disciplined.

Pray for current efforts in the countries of Zimbabwe and Uganda to become organized associations of FWB churches.
