## Prayer Requests

### Brazil

**Brazil Partnership** — Praise the Lord for the time Kenneth Eagleton was able to spend in Brazil during the month of December, meeting with many different leaders and having the privilege to preach six different times. Praise the Lord for the variety of Christmas programs presented and the opportunities to communicate the true meaning of Christmas.

### Bulgaria

**Brenton & Debbie Driscoll** – Pray for all the ministries continuing to take place after the Christmas holidays.

**Trif & Vanya Trifonov** — Please pray for the resuming of the language classes for Ukrainians and Bulgarians, as well as for the Bible study group. Pray that the Lord will work in the hearts of those who still don't know Him.

**Tim & Lydia Awtrey** — Please pray for us as we begin our Stateside Assignment. Pray for the long days on the road and the good times we have with brothers and sisters in the USA. Pray that we will be able to raise the funds we need to return to Bulgaria and to build the new church building in Svishtov.

### Cuba

**Cuba Partnership** — Praise the Lord that despite the frequent electricity blackouts and challenges finding and obtaining food, our Free Will Baptist churches were able to celebrate the goodness of the Lord and the Good News of hope in Christ through the Christmas season.

### Ecuador

**Adam & Carol Duncan** – We will be resuming community visits this week and developing strategies with our partners. Praise God that for the first time in four months all roads are open and we have electricity all day.

### France

**Shane & Joy (THP)** — Bonne Année! Happy New Year! Please continue to pray with us for opportunities and occasions to share the Good News that Jesus is the Hope that we all need and look for. Pray especially for Ray\* and Jay\* as we find reasons each week to spend time with them. We pray the Holy Spirit will continue to give us moments together to share with them the truth of who Jesus is.

### India

**India Partnership** — Praise the Lord for eight people baptized on Christmas Day in one of our partner churches.

## **International Students/USA**

**Darren & Dana Portell** — Rejoice with us for the wonderful time we spent at Rejoice Church in Owasso, Oklahoma. We are thanking God that we were able to travel southwest of the winter storm just before it snowed in Illinois and Missouri, which allowed us to avoid dangerous road conditions. Please pray for us as we meet with ministry partners along our route to an association meeting and church service in Buena Park, California, this coming weekend, where we will share about our ministry.

## **Kenya (Samburu People)**

**Eddy & Amanda Simmons** – Keep praying for the demonized Samburu girl. She is still struggling. Pray for Jackson as he continues to record new audio files from the Old Testament to add to our solar players. Pray for Francis as he seeks a new location to share the Word of God weekly.

## **Pakistan**

**Pakistan Partnership** — One of our churches chose the Christmas season to minister to a community of brick kiln workers and their families who live in near-slavery conditions. Students from the Vocational Institute served them by giving haircuts to the men and facials for the women and presenting clothing that was made by the students during their sewing classes. A meal was prepared for the community and a Christmas service with evangelism was conducted. Pray that many will receive Christ.

## **Panama**

**Panama Partnership** — Praise the Lord for the variety of Christmas programs presented and the opportunities to communicate the true meaning of Christmas. Pray for the Panama National Association Convention that will be held this coming weekend.

## **Spain**

**Anthony & Lea Edgmon** — Thank you for your prayers for our Christmas outreaches. We praise God for a good turnout at both events and for many who heard the Gospel. Continue to pray that the seed that was sown will bear fruit and that lives will be changed.
