## Prayer Requests

### **Brazil**

**Brazil Partnership** - Praise the Lord for 35 young people from six churches who initiated an online discipleship program this week! This new course was born from a concern of the Alliance of FWB Churches that they were not seeing many new people preparing themselves for the ministry or leadership. Pray that these young people will be impacted and that we will see a new generation of leaders being raised.

### **Cuba**

**Cuba Partnership** — Praise the Lord for a good pastors' and pastors' wives retreat for the Pinar Central Association. Approximately 32 people attended.

### **Ecuador**

**Adam & Carol Duncan** – Pray for the Bella Vista ladies' group that they may share the CHE principles they are learning and the weekend clinic. Many in our community have Dengue Fever and it has overwhelmed the healthcare system.

### **France**

**Alejandro & Breanna Johnson** — We have officially resubmitted Breanna's visa application. Please pray that God will be with this process and that her visa will be approved soon!

**Jacob & Faith (THP)** – Praise the Lord that Jacob was able to pick up his residency card with no problems!

**Shane & Joy (THP)** - We have had new students join our English Classes and Computer Information in 2025. Pray with us as we ask the Lord to provide opportunities and occasions for us to share who Jesus is with our friends. He is the answer they are looking for.

### **India**

**India Partnership** — One of the pastors of our partnership must travel over 60 miles each weekend to lead services in another village. He is requesting prayer for the provision of a motorcycle to cut down the time it takes for travel and so that he can go and return the same day.

### **International Students/USA**

**Darren & Dana Portell** — Rejoice with us for a wonderful service at Connect Church in Russellville, Arkansas, on Sunday and for a safe return to our current home base at Camp Hope in Illinois. Please pray for travel mercies for us this weekend as we travel to Unity FWB Church in Greenville, North

Carolina. Our bodies are very aware of our coast-to-coast travel in the past few weeks, and we need God's strength as we continue to travel to raise support.

## **Japan**

**Heath & Joni Hubbard** — **Training Leaders:** At Hope Alive, we pray each year for God's work in our church, asking for His kingdom to come and His will to be done in Tokorozawa and Ikebukuro as it is in heaven. Pray for God to send a new intern to Hope Alive Church. Ask Him to raise up leaders who will grow in faith and help disciple others.

## **Kenya (Samburu People)**

**Eddy & Amanda Simmons** — Drought conditions have returned to Sesia. Warriors are leaving with the cows to find grass and water. Please pray for rain and for the safety of the warriors and that those who have learned the Gospel and the Word will courageously share with others.

## **Panama**

**Panama Partnership** — Please pray for a group of twelve people from the Buenas Nuevas FWB Church in Chitré that will be going on a nine-day missions trip to El Salvador on Saturday. They will be joining the Escudero family that arrived in El Salvador last week to work as missionaries.

## **Spain**

**Anthony & Lea Edgmon** — We are praising God for four new members of the Alpedrete church. Three of our new members are young men. Please pray that they will allow God to use them in the church as well as in their places of work and study.

## **Uruguay**

**Uruguay Partnership** — Lemanjá is a deity in the Spiritualist religion, which has its origin in Africa. Many Uruguayans worship this deity of the sea, and over 100,000 people (about the seating capacity of the Los Angeles Memorial Coliseum) will participate in an annual celebration on the beach on February 2, making offerings to the "Queen of the Sea." Pray that the Holy Spirit will move to bring Truth to those who live in darkness.
