## Prayer Requests

### **Bulgaria**

**Brenton & Debbie Driscoll** — Praise God for the completion of the Alpha Course we hosted at our house! Around 20 people attended at least once, and we are thankful for the eight or nine men and women who came consistently to discuss and hear from God's Word!

### **Ecuador**

**Adam & Carol Duncan** — We are at a medical conference in Thailand this week and will return to Ecuador on Saturday (February 22). Pray for continued learning and connections for flights back.

### **India**

**Friends of India** — Pray for the Annual Conference in March. Pray also for Dr. Don Hanna and his wife as they travel to India for the meeting. Ask God to be with the outreach ministry in South India as well as the new congregations that have been established.

### **Ivory Coast**

**Ivory Coast Partnership** — Thank the Lord for the recent 1040i Medical Ministry in the Doropo area, where the team treated many patients, Bible seminars were held for pastors and Bible School students, and a roof was placed on the Lobi church in Bouna by some of the men.

### **Japan**

**Doug & Miriam Bishop** — Pray for Mrs. Sasaki, a mom we met walking by the church, who said she saw our church flier in the paper and has been wanting to bring her kids to Sunday School. Pray that she will come to church and pray that others who are seeking will also come.

**Rusty & Brenda Carney** — Praise the Lord that Ken and Judy Bailey made it safely to Japan! We had a wonderful reunion at the church, with even some new visitors welcoming them in. We praise the Lord because it appears He is providing a good housing option for them. Also our college intern, Faith Simpson, made it to Japan safely and has done a wonderful job jumping in to help homeschool our kids! Please pray for her continued adjustment and wisdom to know how to best motivate our children.

**Heath & Joni Hubbard** — Salvations and Baptisms: With a heart for God's kingdom to expand, we pray for 25 baptisms and salvations in 2025. Ask God to move in the lives of those who don't yet know Him, bringing them to faith and commitment to follow Jesus.

**Osam & Emily Sakamoto** — We met with our church plant's launch team on Zoom over the weekend. Pray for their endurance in the faith, that they stay encouraged and strong in the faith.

## **Kenya (Samburu People)**

**Eddy & Amanda Simmons** — Eddy's left eye has healed well from the superficial keratectomy in December, so it's time to do his right eye! Next week, he will have the right cornea scraped at the Tenwek Mission Hospital in Bomet, Kenya. Thank you for praying for surgery and also for a quick recovery.

## **Spain**

**Keren Delgado** — Pray for D, a girl around my age that the Lord has given me the opportunity to build a relationship with and gain her trust. Sunday night, we had a great meal together because she asked me questions without me initiating it, and she wanted to know what the Bible had to say about her questions. She has suffered greatly and with so much pain and loneliness she is seeking. Pray that God will continue working in her heart and that she may soon see God pursuing her. Pray also for me, so that with every word that I point her to Christ and not to me.

**Anthony & Lea Edgmon** — We are thankful for the good response to the first session of the Bible Study Methods class Anthony taught. This Sunday, we will have the second part. Please continue to pray for these classes to impact the spiritual lives of our church members.

**Josh & Bethany (THP)** — We have arrived back in the United States to visit sick family members. Please pray for protection and health as we will be traveling between Middle Tennessee and Virginia Beach.

## **Uruguay**

**Uruguay Partnership** — Pray for one of our churches that is going through some leadership turmoil. Praise the Lord for two men and two women who were baptized at the Emanuel FWB Church in the greater Montevideo area!
