Prayer Requests

Brazil

Brazil Partnership - Praise the Lord for the 40 young people from several churches who are participating in a weekly in-depth online discipleship program!

Bulgaria

Brenton & Debbie Driscoll — Pray for “Gencho” as Brenton started our discipleship course with him this past week. Pray specifically for real heart change and that he would fully commit to the Lord in all areas of his life.

Dennis & Mary Heath – Please pray for our final documents that support our one-year residency visas to be released from Customs. These must be submitted within the next two weeks.

Cuba

Cuba Partnership — Praise the Lord for a successful annual Convention of the National Association held this past weekend on the campus of the Cedars of Lebanon Seminary. Praise the Lord for seven students who graduated from the Seminary this past Saturday: four with an associate's degree and three with a B.A. in theology and ministry!

Ecuador

Adam & Carol Duncan – We give praise that we have returned to Misahualli after the medical conference. Pray we are able to apply our learning. Continue to pray for our effectiveness in reaching people and discipling them.

France

Shane & Joy (THP) — This Saturday, March 1, will be the first day of fasting for many of our friends here in France. Around the world, many people will not eat any food from sunup to sundown for an entire month. Pray with us that, especially during this time, the truth of Jesus will be revealed to the nations!

India

India Partnership — Please pray for Christians who are being persecuted and others who are living under threat. In some areas, even going to church or praying in one's own home can bring sanctions.

International Students/USA

Darren & Dana Portell — Praise God with us for a wonderful service at Eastside Community Church in Illinois on Sunday. We are also thanking God for the birth of our second granddaughter on Monday, February 24.

Japan

Heath & Joni Hubbard — Generosity and Provision: As we pray for God's will to be done, ask for His provision to purchase a building for Hope Alive Church. Pray that the necessary funds will be provided and that God will inspire generosity among those who support the ministry, enabling us to establish a permanent home for our church.

Daniel & Kate Speer — Pray for our family to be able to finish out the set-aside time for language study well, and pray that we will be able to navigate life and ministry changes well as we look toward this summer. Pray that we will have more opportunities to share the Gospel as we build relationships and friendships here in Sapporo.

Kenya (Samburu People)

Eddy & Amanda Simmons — Keep praying for the demonized girl. They've taken her to three witch doctors now and she continually gets worse. May her parents wake up to the futility of looking anywhere for healing other than the Lord Himself. Praise the Lord that a prominent family in the church got up on Sunday and repented for a number of things that have brought shame to the name of Christ. Pray that they will live out His ways before a watching world.

Spain

Daniel & Karah (THP) — We heard back from the consulate this past week. They said that our visa applications were missing two documents. They gave us the next ten business days to send them those papers. We have one (we have to get it translated before we can send it), and one of them is being worked on in Spain. Would you please pray that we can obtain these documents and get them sent to the consulate within this time requirement? Please pray that our visas will be approved and that we can head to Spain next month.

Anthony & Lea Edgmon — Praise God with us for the election of a young leader in our church to the Pastoral Team of the Alpedrete church. Pray for Eli, his wife, and his children as they seek to serve the congregation and prepare more local leaders.
