Prayer Requests

Brazil

Brazil Partnership — Praise the Lord for four baptisms at the Juiz de Fora FWB Church on Sunday!

Bulagria

Brenton & Debbie Driscoll—We have become quite good friends with some neighbors, one of whom asked to come to church this past week. Praise God for the good relationships that have been forming with the people in our apartment block, and continue to pray with us that they will hear the Gospel, repent, and believe!

Trif & Vanya Trifonov — Please pray for the organization of the Public Bible Reading we are putting together in cooperation with the other churches in town. It will be held on the eve of a major national holiday in May. Pray that those invited would come and participate in reading the Bible.

France

Shane & Joy (THP) — This is the last week of Ramadan, the month of fasting in Islam. Pray for our Muslim friends here in France and Muslims worldwide that they would come to know Jesus as their personal Savior.

Alejandro & Breanna Johnson — We reached out via email to the prefecture in Nantes to check on the status of Breanna's visa appeal. Please be in prayer that the answer would be favorable and that we would hear back from them soon.

International Students/USA

Darren & Dana Portell — We are praising God for safe travels to Ohio this past weekend, where we participated in a missions-centered dinner with pastors and shared with the wonderful congregation at First Free Will Baptist Church in Springfield, Ohio. Please pray for us this week as we spend two days with our teammates scouting areas around Champaign to live and researching school options for our girls. On Wednesday, we are privileged to share at Connect Church in Tupelo, Mississippi. Thank you for praying for our travels and for our time with them.

Japan

Doug & Miriam Bishop – Pray for Doug as he travels to a church-planting conference in America. Pray that it will be beneficial and an encouragement for him!

Billy & Sunni Champion – We are 85% funded! Please pray we can raise the remaining 15% by the beginning of May.

Jack & Ashley Kettelman – We are praising the Lord for two baptisms at Hope Alive on Sunday! Please pray for the protection and growth of these new believers.

Kenya (Samburu People)

Eddy & Amanda Simmons – Pray for Pastor Francis' wife and unborn baby. She is awaiting the birth of their seventh child and has had a "false alarm." She is very ready to give birth. She is separated from her family until after the baby comes because the hospital is far from Sesia. Pray for Francis and the children who are missing her!

Panama

Panama Partnership — Pray for the La Paz de Chame FWB Church as they are partnering with a ministry that distributes water filters. Ministry members and church members are visiting people door to door, handing out water filters and sharing a Gospel message with them.

Spain

Anthony & Lea Edgmon — This past Sunday, the young people of our church studied God's plan for human relationships and sexuality. Please pray they will have the courage to live out God's Word in a culture that opposes these ideas.

Uruguay

Uruguay Partnership — Praise the Lord for a productive association business meeting held this past Saturday!
