Prayer Requests

Brazil

Brazil Partnership — Praise the Lord for seven young people who were baptized at the Jaboticabal FWB Church on April 6!

Brazil

Josh Provow — Our church in Shumen is preparing for our first Easter in our new building. We have invited many people personally, and we have invited thousands of people through an online advertisement. Please pray for the many people who will hear the Gospel!

Brenton & Debbie Driscoll — Pray for the Easter service at New Life Church (Varna) this Sunday morning. Pray specifically for the non-believing friends we have invited—may they come and hear the Good News clearly, and may they truly ponder the gift of salvation Christ freely gave us through His victory over sin and death.

Dennis & Mary Heath — We praise God that our one-year residence permits were received this week. Thank you for praying for this important document. Please pray for Easter services coming over this week. Pray for seekers and doubters to come to the understanding of this most eventful holiday celebration.

Ecuador

Adam & Carol Duncan — Pray for our *Semana Santa* services and activities that many are reached during this time.

France

Alejandro & Breanna Johnson — Please pray for Breanna's family, as her grandmother passed away last night.

Shane & Joy (THP) — Just like many others around the world, we will have several opportunities this Easter weekend to invite our friends to special events where the Good News will be shared. Pray that our friends will attend with open hearts and minds to the message the Lord has prepared for them.

International Students/USA

Darren & Dana Portell — We are so grateful for being able to participate in a wonderful student event at The Donelson Fellowship Church in Nashville, Tennessee, on Friday about the persecuted church, as well as a fantastic service at Pittsburg FWB Church in Marion, Illinois, on Sunday. Please pray for us as we join Tyler and Kellie Penn on Easter Sunday with international students.

Japan

Doug & Miriam Bishop — Pray for our New Life Kids' Easter party on Saturday, and for our Easter service on Sunday! Pray especially for "C" who is not a Christian, but will be playing a special violin solo for the service. Pray for her, and any other guests, for the veil to be lifted in their hearts.

Rusty & Brenda Carney — Praise God for opening up a house for us to move into the area of our church! We made the move successfully and are getting set up and are getting more acquainted with that area. Also, please pray for our Easter events at KCC. Several friends who are not yet believers are planning to attend our Easter service!

Jack & Ashley Kettelman — Thanks so much for praying for last weekend's girls' discipleship and music outreach events. The Lord's blessing was evident in those events. Please pray for Hope Alive's outdoor Easter worship at a local park this Sunday! Pray for clear weather and many to come.

Osam & Emily Sakamoto — Pray for our big Easter event happening in Japan! Pray for favor from park officials and for ears that hear the Gospel.

Daniel & Kate Speer — Please continue to pray for Daniel's Japanese language teacher as they continue to study the Bible together and work through the book of John.

Kenya (Samburu People)

Eddy & Amanda Simmons — Continue to pray for Mama Mpaisi. Doctors say it could be up to two weeks before she delivers, and she is very discouraged! Pastor Francis and the children are really missing her as she waits at the hospital.

Panama

Panama Partnership — Praise the Lord for 14 students who completed their studies from Welch College, in partnership with the Seminary in Panama, and received their certificates in Bible and Ministry this past Saturday evening!

Uruguay

Uruguay Partnership — Pray for several younger couples who recently left their church and Free Will Baptists over some interpersonal relationship issues. Pray for restoration, as difficult as it might seem at this time.

Global Partnerships

Global Partnerships — Praise the Lord that Kenneth Eagleton and Jaimie Lancaster finished leadership training seminars in Kenya and Uganda and returned safely to the States. Pray for leaders in Uganda who have initiated a process to organize a FWB association.
