Prayer Requests

Bulgaria

Brenton & Debbie Driscoll - Pray for the different opportunities we will have as the summer season approaches to reach new people in our community with the Gospel. Pray for the Bulgarian class for Ukrainians at our church, which is going on an excursion on Saturday, too!

Dennis & Mary Heath - We thank the Lord for the privilege to host our landlord and the owner of a local music shop for supper this past Saturday. There were questions and indications of true seeking. Please pray for continued interest and eventual surrender to Jesus. Mary's father passed away Saturday afternoon (May 24) following a brief hospitalization and about a week in a nursing home in Oklahoma. Prior to our departure for Bulgaria, we visited him. Dennis talked with him at length about his spiritual condition. Afterward, he confidently proclaimed his surrender to Jesus as his Savior. Please pray for his wife and surviving family that they will also surrender their hearts to Jesus.

Ecuador

Adam & Carol Duncan - Pray for the families that lost their father/community leader in a tragic "hit and run." Continue to pray for Caleb and Moriah as they finish up their school year.

India

Friends of India - The Kingdom Kids' Club met at Hanna Memorial Church. They had 160 children in eight classes – God is blessing. Dr. Don Hanna does virtual meetings with our North India & South India pastors, 15 of them were praising the Lord as they reported 103 baptisms! Thank you for praying. Also in South India, there is a retaining wall at the church property that is falling due to the rain. If the wall is not repaired quickly, then the road, the house, and the church will be destroyed. Funds are needed to repair this wall. (Funds can be designated to Friends of India at the IM office.) Please pray for wisdom.

Japan

Rusty & Brenda Carney – Praise God for the four College Mission Program interns who have made it to Japan to work with us at KCC for the next six weeks! We are so excited for all the events and ways they will be helping to build contacts in the area. Please pray for good health, protection, and a movement of the Holy Spirit as they scatter seeds and engage people in conversation. May many souls be drawn to Jesus and may Christ be glorified!

Ecuador

Eddy & Amanda Simmons – We are meeting with our leadership this week to finalize plans to begin the first-ever Samburu Discipleship Groups in the next month. These are exciting times! Please pray for great wisdom and discernment for all our group leaders.

Panama

Panama Partnership - The country is facing civil unrest due to an unpopular law that changes the Social Security system, a government contract signed with a mining company that is seen as not respecting the constitution, press censorship, violent repression of demonstrations and strikes, and imprisonment without due process. Please pray for a peaceful resolution and that a state of democracy and the rule of law will be respected.

Spain

Anthony & Lea Edgmon - These are very busy and stressful times as the school year is coming to a close in the next few weeks. Pray for peace and a renewed spirit as we and so many of our congregation face all that lies ahead in these next few weeks.

Sam & Lauren Riggs - Lauren has final exams for this level of language school on Thursday, May 29. Pray they go well!

Josh & Bethany (THP) – Daniel and Karah just arrived. Please pray for them as they acclimate. CMP students arrive next week. Pray for safe travels. Pray for strength and wisdom. We have found ourselves in need of it lately.
