Prayer Requests

Argentina

Argentina Partnership - Our church in Argentina is preparing to gear up for planting more churches in that country. Pastor Nicolás is currently preaching through a series called “Let’s Build With Vision, Serve With Faith, and Expect From God the Impossible, for Christ has Overcome.” Pray that the Lord will use this church in a mighty way.

Brazil

Brazil Partnership - Pray for two of our pastors who are facing difficulties in their personal lives and ministry. Pray for a youth rally that will be this Saturday with the participation of the youth of our churches in the state of São Paulo. Pray for the in-depth discipleship program for youth called *Catecheo*. Pray that from this group of 30, we will see a new generation of leaders emerge.

Bulgaria

Tim & Lydia Awtrey - The past few days we have been blessed spending time training the ETEAM group going to Bulgaria. Please pray for them this week as they travel to Bulgaria and witness to people in the Shumen and Varna areas.

Josh Provow - Praise God for the six people who made their faith public through baptism this past Sunday! Please pray for the two CMP students who will begin their time in Bulgaria on June 11.

Brenton & Debbie Driscoll – It is almost ETEAM Bulgaria time! Pray for the team preparing to come and serve here in our cities. May the Lord use their willingness to serve and bless their efforts for His Kingdom!

Cuba

Cuba Partnership - Pray for the activities of ETEAM in Cuba, that the Lord would use them to bring opportunities for outreach and encouragement to the youth.

France

Alejandro & Breanna Johnson – Breanna’s visa appointment was today at 1:45 EST. Please pray that we will hear an answer back soon, and for everyone who is processing Breanna’s visa, that we will have a favorable response.

Jacob & Faith (THP) – Faith’s visa appointment was in Atlanta today at noon EST. Please pray that the process will go smoothly and positively so that we can make it back to France by the beginning of July.

Shane & Joy (THP) - This Saturday, June 14, the church that we attend will have a neighborhood block party. There will be games, food, and time to simply gather together and talk. This is the same neighborhood where many of our students and contacts at the ministry center live. Pray that people will attend, that plans will go smoothly, and that this will be another opportunity for those we are trying to reach to see that Jesus loves them.

India

India Partnership - Last week, I, Kenneth Eagleton, requested prayer for Pastor P.L., who was sick in the hospital and whose village was threatening to expel him from the village and destroy his house if he did not contribute money to idol worship. By the grace of God, P.L. is out of the hospital and feeling somewhat better. The village accepted a compromise of them giving a yearly donation to a community welfare fund (not idol worship), and in exchange, they are allowed to live and worship the Lord in the village. Thank you for your prayers. Praise the Lord that pastor Sindhu Pani was able to complete all his doctoral studies requirements and was awarded his Ph.D. on Tuesday.

Ivory Coast

Ivory Coast Partnership - Pray for the National Church in Ivory Coast as they prepare to host the International Fellowship of FWBs in August, followed by their National Convention, in which they are expecting to have 5,000 participants.

Japan

Doug & Miriam Bishop – Please pray for Mr. Y, a seeker who attends the men's Bible study at New Life Church. He has been reading the Bible on his own and asking his wife lots of questions. Pray that God's Word would lead him to salvation.

Billy & Sunni Champion – Please pray that we will receive our Certificate of Eligibility from Japan quickly so we can apply for our visas here in the States.

Kenya

Eddy & Amanda Simmons - Francis is beginning to record the Discipleship Group lessons for the group leaders' MP3 players. At church, we asked for those who want to go deeper and who would commit to attend a D-group weekly, and many raised their hands, especially the teens and young adults! THESE ARE EXCITING DAYS! The enemy is angry about what God is doing, though. Pray for Francis and the group leaders, and for those wanting to be in groups.

Pakistan

Pakistan Partnership - Pray that our churches will remain resilient as they minister in an environment that is hostile to Christians. Pray for the families that live in areas with no church presence, that they would be a light to those around them.

Panama

Panama Partnership - Pray for the activities of ETEAM in Panama, that they would be an encouragement to the youth there and have opportunities for outreach.

Uruguay

Uruguay Partnership - Pray for Pastor Kleiton as he works with some younger couples who are interested in starting home churches.

Global Partners

Global Partnerships - Pray for the newly organized association in Uganda as they work together to strengthen the twenty-member churches and plan to reach out to unreached areas.
