Brazil Partnership - Praise the Lord for Brazilian missionaries to Ireland, Lude and Bianca, who recently started working as youth leaders in an Irish church and started giving music lessons to the community. Pray that the music lessons will lead to building relationships and spiritual conversations.

India

India Partnership - We received information that the Supreme Court is going to review the constitutionality of the “anti-conversion” laws that have been passed by twelve states and have been used beyond the text of the law to bring persecution to Christians. Please pray that the Supreme

Court would strike down these laws that seem to be clearly against a constitution that, in theory, grants religious liberty.

Friends of India - Please pray for Pastor James and his family. He had a brain bleed and also a depressed skull fracture necessitating brain surgery. He is in critical condition. Please pray for pastor Gopal, who had an accident injuring his shoulder and elbow. Pray for healing and a quick recovery. Please pray for Christopher, son of one of our workers in North India, who was just hospitalized with complications of his Type 1 Diabetes. Pray also for Don and Milly Hanna as they are to be in India most of the month of October. Pray for safety, blessings, and the Lord's enabling.

Spain

Anthony & Lea Edgmon - The Alpedrete church leaders have been burdened about the need for more concentrated corporate prayer among the congregation. This Wednesday, we will be meeting to intercede on behalf of our youth, our church, and those who still need to know the Gospel. Pray that families in our church will make this a priority.

Chris & Tori (THP) - Please pray for our team as we finalize budgets and strategies for the upcoming year. Also, we are reorganizing 1042 and could use prayers as we assign and reassign responsibilities to our staff and volunteers. We are praying for wisdom and discernment. We are also

crunched for space in our current facility and are raising money to purchase a bigger space, which would allow for more opportunities to share Help, Hope, and Healing with those in our city.

Josh & Bethany (THP) - Please say a prayer for Leila as she has been sick for the last four days. She is not sleeping, which means neither is Mama. Pray that she will sleep! Thank you for praying for us as we are getting back into the groove with school and at 1042. We also have quite a few appointments coming up with government stuff.
