## Prayer Requests

### **Bulgaria**

**Trif & Vanya Trifonov** - We praise God for a great Praise & Worship Service a week ago. Please pray for many people in our church who are sick right now. Pray also for more people to commit to studying the Bible on their own and joining the Bible study group.

**Tim & Lydia Awtrey** - Praise God for the several new people attending our church in Svishtov and for their newfound faith to grow. Also, pray for encouragement for us as we face spiritual attacks from those inside and outside the church.

### **Cuba**

**Cuba Partnership** - Cuba was hit by Hurricane Melissa in its eastern provinces. Several church buildings were affected, some church members lost their homes due to flooding, and the eastern campus of the Cedars of Lebanon Seminary had the first floor covered by floodwaters. Previously, food, fuel, and personal hygiene items were already difficult to purchase, and now they are very scarce. Relief donations are being received through our partner organization, The Hanna Project.

### **Ecuador**

**Adam & Carol Duncan** – Join us in offering praise as Phase Two of the Awatino water project is almost complete. The diverse committee is working together, and Christian members are sharing their Hope. The The Hanna Project Medical team will arrive to serve in approximately two weeks. Pray for the logistics to solidify this week and that the light of the Gospel will be clearly presented.

### **India**

**Friends of India** - Pray for Brother Robertson as he begins pastoring the Sharon FWB Church. Pray for the two needed church buildings in Ooty. Pray for the Women's Conference planned for 2026. There are also plans to restart the Volena Wilson Bible Institute in January 2026. Pray for the financial needs of pastors in Sri Lanka.

### **International Students/USA**

**Darren & Dana Portell** - It was a joy to see two of our International students at our church with the Penns on Sunday. Please pray for these young men to dwell on the Scriptures they heard on Sunday, and that they are drawn to know more.

### **Japan**

**Ken & Judy Bailey** - Kamifukuoka Christ Church will be having an American Thanksgiving Dinner on Sunday, November 9. Please pray for this special event and for the unsaved who are planning to attend. Pray also for Rusty Carney as he shares the Word in his message.

**Jack & Ashley Kettelman** - Please pray for our family as we travel to churches and ministry partners during the month of November, before Ashley's final surgery on December 9. Please pray for endurance, health, and mutual encouragement (Romans 1: 8-12).

## **Kenya (Samburu People)**

**Eddy & Amanda Simmons** - Praise the Lord with us that the church in Sesia is continuing to grow. Because of so many new visitors, several of the ladies stood up and shared their salvation testimonies and the Gospel last Sunday. We are praising the Lord for His good work in lives and in the church.

## **Panama**

**Panama Partnership** - Praise the Lord for a total of 14 people who were baptized on Sunday from four FWB churches: Chame, Bethania, San Miguelito, and Chepo.

## **Spain**

**Anthony & Lea Edgmon** - This week, there are several activities in the Alpedrete Church we could use prayer for. On Tuesday night for the preaching team that will meet to plan out the preaching calendar for the next six months, Wednesday night is a prayer meeting to pray for many opportunities that we have coming up, Sunday during the worship service we will focus on praying for the International Fellowship of FWBs and the International Day of Prayer for the Persecuted Church, and Sunday afternoon we will have a youth group meeting. Thank you for partnering with us in prayer for these activities.

## **Uruguay**

**Uruguay Partnership** - Please pray for Kenneth Eagleton and Jaimie Lancaster as they travel to Uruguay next week to meet with the pastors and visit a new church plant in the city of Rivera.
