Prayer Requests

Bangladesh

Bangladesh Partnership - Praise the Lord for updates received from our partners that indicate that 27 students completed their Bible Institute studies and graduated last week. There was also a baptism last month in which 37 people of Hindu background professed their faith, including a former Hindu priest. Praise the Lord!

Bulgaria

Tim & Lydia Awtrey - BIG prayer request. We are starting a new church plant on November 30 in Ruse, a town one hour north of Svishtov. Pray for protection against enemy attacks, which have already started, and for the Holy Spirit to prepare the hearts of people in that town.

Silas Houser - As my documents are being processed by the Bulgarian government, pray that they will approve my visa by the beginning of the year.

France

Alejandro & Breanna Johnson – We recently found out that Alejandro's visa has been approved for renewal! Praise the Lord! There is potential that he will have to travel to France for an appointment at some point within the coming months. Please pray that we would receive communication from the French government in time for us to make the plans for Alejandro to attend these appointments.

International Students/USA

Darren & Dana Portell - Our annual Fall Retreat at Camp Hope with international students from University of Illinois and University of Missouri will happen Friday – Sunday! Please pray for a wonderful weekend with these students. Also, rejoice with us that we had five students attend church on Sunday!

Japan

Shannon Little – The number of students in Tuesday's children's English class has almost doubled in the last few months! Please pray for these students and their moms to hear the Gospel for the first time.

Spain

Anthony & Lea Edgmon - Praise the Lord with us for a great Alpedrete Church Retreat this past weekend, where 58 people attended! There was sweet fellowship, moving worship, and preaching that challenged us about different areas of maturity as believers and a church. Pray for continued

unity, focus, and diligence as the congregation strives to move forward and even launch some new ministries.
