Prayer Requests

Bulgaria

Tim & Lydia Awtrey - Pray for us on November 30. We are starting our eighth Free Will Baptist church in Bulgaria, located in the town of Ruse. Pray that many people will come to faith in this church!

Trif & Vanya Trifonov - Please pray for the organization of the evangelistic Christmas events at New Life Church in Varna: Christmas party, Christmas concert for Silver Bells Children's Singing Group, Christmas movie watching and discussion, etc.

Cuba

Cuba Partnership - Praise the Lord for the retreat organized for senior citizens on November 11-13 by the "Encounter with God" FWB Church in La Lisa, located in the greater Havana area. Despite the cool weather and rain, it was well attended. Praise the Lord for the new Free Will Baptist church building recently dedicated in San Juan y Martinez. This was the second church planted by pioneer missionary Pop Willey. Praise the Lord for the 75th anniversary of the Minas de Matambre FWB Church in the province of Pinar del Río. The city of Santiago de Cuba was hard hit by Hurricane Melissa, making it impossible for the extension of the Cedars of Lebanon Seminary in that city to meet where it usually meets. They have improvised in a precarious location to be able to continue the module of Greek. Praise the Lord for the faithfulness and resilience of these brothers and sisters in Christ.

Ecuador

Adam & Carol Duncan - Praise the Lord for the THP medical team that was here last week, ministering and collaborating in four villages. Pray for open hearts in these communities as we follow up and seek continued direction in the work here. We also ask for God's provision for more workers and for encouragement for our family during this busy season, as we have become ill since the team left.

France

David & Myriam Reeves - Praise the Lord, we are fully funded! Thank you all for your prayers and partnership in the Gospel. Please pray for our transition and travel as we make plans to get back to France!

Cody & Lauren Herren – Our teammates, the Reeves, are fully funded! Praise God! Pray as they prepare to go back to France! We are praying for partners before the end of the year to get us to 50% funded.

Jacob & Faith (THP) - This week, we are helping with a university student Thanksgiving outreach on Wednesday night and have Friendsgiving at our place on Friday night. We are also singing in our annual Christmas Carol Choir Service this weekend. Please pray for us as we set up and practice on Saturday and have the service on Sunday afternoon. Pray especially that people will hear the Good News in French and English and respond! Also, please continue to pray for Faith's visa.

Alejandro & Breanna Johnson – Please pray with us that we would receive Theodore's birth certificate back soon.

India

Friends of India - Please continue to pray for our pastors, church planters, and evangelists in North & South India, Nepal, and Bangladesh. Remember our new work in Sri Lanka. Please pray for the special annual conference planned for March 2026. This is the 75th year since Brother Carlisle and Sister Marie's appointment to India. Pray for the help needed with the many village churches that need to be built and the places to rent for other groups to meet.

International Students/USA

Darren & Dana Portell - Praise God with us for all the ways that the love of Jesus was shown to international students at our Fall Retreat. Local churches in southern Illinois donated snacks, brought meals, and served alongside our families (Penns, Mercers and Portells). The Gospel was presented not only in a message on Sunday morning but also in many conversations throughout the weekend. Please pray that students will be drawn near to Him as they recall their experiences. Please also pray for the Thanksgiving celebrations with students that we will host in our homes this week.

Japan

Ken & Judy Bailey - An eighty-year-old woman, Mrs. "H," visited KCC for the first time last Sunday after meeting Ken on the street a few days earlier. He offered to help her carry her bags, and they started a conversation about our church. Even though she's not a believer, she said, "It's a good thing that you are here telling people about God!" Please pray that we will have more opportunities to interact with her in the days ahead, and that she will be open to the Holy Spirit's working.

Rusty & Brenda Carney – Please pray for the youth at KCC. They will be participating in a youth-led service this Sunday. Pray for their continued growth in Christ. Also, please pray for Kelton as he fell and cracked his wrist a couple of weeks ago. Please pray it heals properly. We also just want to express how very thankful we are for every one of you who has prayed faithfully for us as missionaries over the years!

Panama

Panama Partnership - We received news from Edwin and Jesica, FWB Panamanian missionaries to El Salvador, where they are working with a school run by one of our partners there, that they just baptized seven adults this past weekend. They are working to give spiritual guidance to the students at the school as well as their parents. They have an average of 60-65 adults in the services they hold

on Monday evenings. Pray for them as they make decisions about the next steps in this ministry that only started ten months ago.

Spain

Anthony & Lea Edgmon - Please pray for Lea's parents & Anthony's parents who are facing health challenges. We have traveled to the US to help them and be with them for this Thanksgiving season.

Josh & Bethany (THP) - Sickness has struck our household, especially Leila who has hand, foot, and mouth disease. Grayson, Bethany, and Josh have colds. Georgia is the only one unscathed. Pray that she stays healthy. Also, pray for a family we had invited to come over this week for Thanksgiving. We had to cancel because of a member being immunocompromised. Pray that we can reschedule.

Uruguay

Uruguay Partnership - We had the privilege of worshiping with the congregation of a new church plant in Uruguay. This is a younger generation of believers that is excited about this new initiative. Please pray for them.
