## Prayer Requests

### Bulgaria

**Tim & Lydia Awtrey** - We have several Christmas parties this week where we will be sharing the gospel message. Pray that people will listen with open ears and start following Jesus because of these gatherings.

**Trif & Vanya Trifonov** - We are having a Christmas concert this Saturday, December 20. Please pray that many would come and that we would be able to share the Good News with them!

**Josh Provow** - Dennis and Mary Heath are on a leave of absence from IM so that they can care for Dennis' mother during this season of her life. They traveled back to the States this week. They love Bulgaria passionately, and their driving ambition is for Christ to be known in this place. They love Shumen, and they have truly made our city their home. Join us in prayer that God's will would be done and that He would give all of us grace in this time of waiting.

### Ecuador

**Adam & Carol Duncan** – Praise the Lord with us for the 45 people who attended the Verde Cocha Christmas service on Sunday (normally 15 attend). Pray for special events in Machakuyaku and Bella Vista Alta during the weekend.

### France

**Alejandro & Breanna Johnson** - Please be in prayer as we go through the process of applying for Theodore's passport.

**Dennis & Carol Teague** - Please pray for us as we need financial support to return to France. Please ask God to speak to those who are willing and able to help us. Also, please remember our son, Justin, and daughter-in-law, Camille, as they work to get a visa or green card for Camille to begin the process of becoming missionary interns in France.

### Japan

**Doug & Miriam Bishop** – Thanks for the prayers for our Kids' Christmas party! We had about 25 guests who heard the true Christmas story. Please remember to pray for our Candlelight Christmas service on December 21.

**Jack & Ashley Ketteman** – Thank you for your prayers for Ashley's surgery last week. We're praising God for successful surgery and smooth recovery thus far! Please continue praying for complete healing.

**Billy & Sunni Champion** - Next Tuesday, Billy and I will be going to the office where people take tests to get their driver's license. We will set up a time for us to take our tests (it could be that day or a month or two out). Please pray for our studying of the road laws, as well as the driver course test that will be given in Japanese.

## **Spain**

**Anthony & Lea Edgmon** - Pray for the opportunity to share Christ as the Alpedrete Church Gospel Choir will sing this Saturday, December 20, at the inauguration of our town's "Christmas House." Pray also for good health for all of our choir members and musicians.

## **Global Partnerships**

**Global Partnerships** - Pray for the many outreach events during the Christmas season with several of our partnerships. Pray for people to hear the Good News and that many would draw near to the Savior.
