## Prayer Requests

### Brazil

**Brazil Partnership** - The FWB church in Guararema celebrated the completion, by three of its teens in the church, of an in-depth discipleship program by the Brazil Bible College. They also hope to encourage many of the youth to get more involved in their local churches.

### Bulgaria

**Jonathan & Amy Postlewaite** - Pray for us and our churches as we seek to be more active in sharing the Gospel and making disciples in our city and the surrounding region. Pray that God would open doors for Gospel witness and that He will help all of us to know how best to share the truth of salvation with our friends, coworkers, and family members.

### Cuba

**Cuba Partnership** - Pray for the regional one-day conventions that the National Association is celebrating this month. One large National Convention was not feasible this year.

### France

**Alejandro & Breanna Johnson** - We've applied for Theodore's passport! Please pray that we receive it soon.

**David & Myriam Reeves** - Praise the Lord! We have found a house, and our offer was accepted! Please pray that the process with the bank will be smooth and accepted too. Thank you for praying last week. God answered our prayers!

### International Students

**Darren & Dana Portell** - Rejoice with us for the great turnout for our Super Bowl party! Please pray for our conversation groups that are happening this week, that they will be times of deep connection with our students.

### Japan

**Jack & Ashley Ketteman** - Praise God for Ashley's good follow-up visit with her Japanese doctor! Please pray with us for upcoming Gospel conversations and ministry meetings.

## **Pakistan**

**Pakistan Partnership** - Pray for Abishai Aamir, who has been accepted into an MDiv program in South Korea but is struggling to come up with the funds necessary. Abishai is pursuing his studies to start a Bible Institute in Pakistan to train leaders for our churches there.

## **Togo**

**Togo Partnership** - Pray for pastor Samuel and his wife, Nina, as they are training leaders and their wives to be more effective in their ministries.

## **Global Partnerships**

**Global Partnerships** - Pray for Kenneth Eagleton, Jaimie Lancaster, a pastor, promotional secretary from Alabama, and a pastor from Panama, as we travel to Honduras Friday through Monday to vet an opportunity for partnering to expand FWBs in that country.

Please pray for pastor David Misiko in Kenya. We did a leadership seminar in his church last year. He has been in the hospital for about two and a half weeks with undiagnosed abdominal pain. He should be getting a CT scan soon.
