## Prayer Requests

### **Brazil**

**Brazil Partnership** - Praise the Lord for two young men who were baptized on Sunday evening at First FWB Church in Campinas.

### **Central Asia**

**Central Asia Partnership** - Praise the Lord for a good meeting with two representatives from Bible Mission, our partners, about the work in Central Asia! We are especially thankful for the opportunities the Lord is opening in an unreached part of one of the Central Asian countries.

### **Cuba**

**Cuba Partnership** - Praise the Lord that Kenneth Eagleton was able to attend and speak at two regional association conferences and two other local churches! Pray for believers and the general population as they struggle to get transportation to work, medical appointments, and other important appointments due to fuel scarcity and extreme restrictions.

### **India**

**Friends of India** - Pray for Dr. Don and Milly Hanna as they go to India on March 7, to the Annual Conference and visit our work with the pastors. Also, pray for the Volena Wilson Bible School in South India, as it has begun in two locations. Pray for the pastors as they are teaching the students.

### **International Students**

**Darren & Dana Portell** - Please pray for our regular conversation groups this week, as well as our Escape Room outing on Friday. Please pray for Darren and Tyler Penn as they travel to Oklahoma to participate in Randall University's missions conference and share in local churches.

### **Japan**

**Doug & Miriam Bishop** – Please continue to pray for the seekers who are attending Bible study each week. Many of them seem close to making decisions of salvation, and we are asking the Lord to move in their hearts and to draw them to Himself!

**Billy & Sunni Champion** - Next week, on March 11 and 13, Jude will be having an Educational Psychological Assessment done. We are hoping to enroll the boys in Christian Academy in Japan (CAJ) for the next school year, and they have asked Jude to have this assessment. Both days will involve three hours of testing. Please pray for Jude.

## **Samburu (Kenya)**

**Samburu Partnership** - Praise the Lord that Pastor Francis has had many people take MP3 players with audio Scripture! There have been some people who have made decisions for Christ.

## **Spain**

**Anthony & Lea Edgmon** - Please pray for the Alpedrete church's evangelism and discipleship course this Saturday, March 7. May this course be a catalyst for many more people coming to know Christ as Savior and growing in their faith.

## **IM Family**

Former missionary to the Ivory Coast, Eddie Payne, has joined his wife, Sandra, in heaven. Pray for his daughters, Laura and Debbie, who have cared for their parents so lovingly during the past couple of years, and for their families during this time. The memorial service will be held this weekend.
