Panama

Panama Partnership - Pray for the pastors' retreat that will be held next weekend.

Russia

Russia Partnership - Pray for the Bible Institute and their influence on the Baptist churches of the Chelyabinsk and Ural areas as they train leaders and resist the Calvinistic influence which is beginning to infiltrate the churches.

Samburu (Kenya)

Samburu Partnership - Pray for pastor Francis, as he continues to travel to areas where the Samburu people live to do evangelism and leave them with MP3 devices, which have the Scriptures on them. Pray that evangelism will yield fruit for the Kingdom.

Spain

Anthony & Lea Edgmon - We are thankful Lea had no issues completing her residency renewal recently. This week, Anthony will go in to submit his application, and our son, Marc, will do the same in May. Please pray for a smooth process.

Josh & Bethany (THP) - We are awaiting some test results for one of our children. Pray for us as we have found ourselves shepherding some believers in multiple contexts. Especially, pray for our men's group that is growing spiritually by leaps and bounds, and for the possibility of launching a similar women's group.

Global Partnerships

Global Partnerships - The Bible Way FWB Church in Eastern Kenya, near Kitale, is in the midst of a busy season. Last week, a teen from their church died, but at the funeral on Saturday, 27 people got saved! Praise the Lord for the salvation, but also pray for the youth's family and friends as they mourn. Pastor David has requested that we pray for a youth camp that started on Monday and will go through Friday. On Friday evening and Saturday, they are planning an evangelistic campaign.
