Prayer Requests

Bangladesh

Bangladesh Partnership - Free Will Baptists in Bangladesh have just finished setting up the Project Christian radio station, a studio that is now setting up an online radio station to transmit Christian programming in Bangla, the official language of the country. Please pray for them as they finish setting up. Also pray that as they transmit Christian programming, it will reach hearts that are ready to hear the Gospel in a strong Muslim environment.

Brazil

Brazil Partnership - Praise the Lord for two people who were baptized at the Nova América FWB Church in Campinas, and others who were accepted as members.

Bulgaria

Tim & Lydia Awtrey - Please pray for a new lady who has come to church a few times now. She has never been in church before, and everything is new for her. Pray that she will be grounded and rooted in the faith.

Brenton & Debbie Driscoll - Please pray for us as we travel back to the States this weekend. We arrive in Nashville on May 2. Pray for strength and especially for health for the kids who have all been on antibiotics this past week due to sickness.

Ecuador

Adam & Carol Duncan - Praise the Lord with us for the THP construction team that was here last week. They were able to get the frame of the new church in Verde Cocha finished, and most of the roof. Pray for these projects to stir interest in the Gospel in this rural village. Pray for us as we model a Christ-like marriage to those around us who have not seen it before (mentorships to acquaintances).

France

Shane & Joy (THP) - This Thursday night, our team will be reading the Word with two men who have expressed interest in discovering what it says. Pray with us that this will simply be the first of many meetings like this. Pray that the hearts and minds of these men will be open to the truth that they are reading.

Ivory Coast

Ivory Coast Partnership - Pray for a training seminar that will soon be held for the leaders of the Ivory Coast on the use of a new evangelistic method using biblical chronological stories. Pray that this method will bring much fruit as it is implemented.

Japan

Doug & Miriam Bishop - We are one week away from arriving in America! Please pray for us as we finish our term, for the safety of travel, and for New Life Church to stay healthy while we are away.

Shannon Little - We are in the midst of planning for a busy summer! Please pray that we can plan well, but especially pray for the hearts of the Japanese people who will hear the Gospel for the first time this summer! Also pray for the high school and college students who will be serving with us here in Japan this summer!

Daniel & Kate Speer - Praise the Lord that we were able to get five-year visas for Japan! We can make lots of plans for the future now, knowing that we won't have to renew again for a long time. Pray for our family as we lead New Life Church and continue ministries while the Bishops are out of the country for the rest of the year.

Spain

Anthony & Lea Edgmon - The Alpedrete church's Gospel Choir will be performing in an outdoor choral festival in a nearby town on May 9. Please pray for us as we prepare, and that our performance would glorify God and draw people to Him.
