Prayer Requests

Brazil

Brazil Partnership - Praise the Lord for the Cuban Free Will Baptists who have immigrated to Brazil and are starting churches in states where we previously did not have FWB churches.

Bulgaria

Brenton & Debbie Driscoll - Please pray for a special Maundy Thursday service Brenton is leading on Thursday evening, April 9, during which we will observe the Lord's Supper and the washing of the saints' feet.

Trif & Vanya Trifonov - He is Risen! Please pray that those who have completed the discipleship course would, in turn, take up the baton and continue going through the same course with other believers.

Jacob & Hailee Voltz - Our two-year-old daughter, Aurora, will have a stent put into her left tear duct on April 9. Please pray for the medical team to have steady hands, make wise decisions, for the surgery to go smoothly, and for a successful recovery. Pray for Aurora not to have much pain and for us as parents to be the support she needs. She will have the stent in for three to six months.

Ecuador

Adam & Carol Duncan - Continue to pray for the Awatino water project. The Awatino pastor, Camilo's wife, Yolanda, has had some health setbacks. Pray for a deeper understanding of biblical marriage in the villages.

International Students

India Partnership - Pray for believers who live in cities in India who are facing a shortage of propane gas, because of the conflict in the Middle East, which they use to cook with. Pray they will be able to get alternative energy sources for cooking. Praise the Lord for a Christian Easter event that was held in the streets of a main intersection in the state of Odisha. One of our pastors was able to preach the Gospel, and they were not attacked.

International Students

Darren & Dana Portell - Pray with us over the students that attended church with us on Easter. This Sunday, April 12, we will be launching a dinner and small group Bible study at our home. Please pray for us as we host and lead, as well as for the students who attend, to come with open hearts.

Ivory Coast

Ivory Coast Partnership - The week of Easter is a time when many churches hold baptisms. We have already received reports of three locations where a total of almost forty people were baptized. Praise the Lord!

Japan

Doug & Miriam Bishop - Pray for our family as we prepare to head back to America next month. Pray for smooth transitions, for our health, and for safety as we travel.

Panama

Panama Partnership - Pray for an important meeting that will be held this Saturday to plan the outreach that they will be coordinating for the Free Will Baptists in Central America.

Samburu (Kenya)

Samburu Partnership - Praise the Lord for the Easter service that was held along with the observance of Communion and feet washing. Pray for a baptism that is planned for this weekend.

Spain

Anthony & Lea Edgmon - Praise the Lord with us for a wonderful joint celebration on Easter Sunday with our sister church. Please continue to pray for those who are in discipleship studies, both individually and in group settings.

Global Partnerships

Global Partnerships - Praise the Lord for a fruitful two-week trip to visit our works in Uganda and Kenya. In Uganda, we learned that five new church plants have been underway since August of last year. We agreed to develop a partnership that will come alongside them in these efforts, as well as start a formal training program. Praise the Lord for the two-day leadership training seminars that were conducted in Uganda and Kenya, with a total of approximately one hundred and forty leaders attending both seminars.
