Prayer Requests

Bulgaria

Silas Houser - As I have two more months on my visa, I am waiting on documents from the United States government to apply for a longer-term stay in Bulgaria. Pray that I receive a response this week so I can continue through the residency process!

Ecuador

Adam & Carol Duncan - CMP students have arrived! Pray for their work in the school and communities over the next three weeks. This is a busy time for our family. Pray for moments of rest.

France

Alejandro & Breanna Johnson - Our visa appointment last week went well! Please pray that we would receive a positive response soon!

International Students

Darren & Dana Portell - Please pray for us as we travel to Taiwan at the end of this week to reconnect with ministry partners, students, and family friends. Please continue to pray for our international students, as many of them will be returning home for their summer break.

Ivory Coast

Ivory Coast Partnership - Please pray for Ron Moore and Steve Lyons as they are training trainers in Bondoukou this week in an evangelistic tool that uses chronological Bible stories. Two of those being trained will train other church leaders in Togo next month. Others will use the evangelistic tool in villages in the Ivory Coast. Pray for the effective use and salvation of souls. Also, thank the Lord for a man who was saved recently. A church planter had the joy of leading him to Christ.

Japan

Daniel & Kate Speer - Pray for Daniel's hearing in his left ear to quickly return completely after a bad head cold a few weeks ago. Pray for Kate and I, as we settle into a "new normal" of leading New Life Church while the Bishops are in the United States. Pray for the unsaved Japanese people in our Bible studies, that they would place their faith in Jesus.

Mexico (Yucatán)

Mexico Partnership - Pray for Pastor Samuel Ramos, who is planting a church in Mérida. Also, pray for Pastor Francisco (Frank) Velázquez, from California, who will be speaking at a Conference at the Ciudad Victoria FWB Church in the state of Tamaulipas, from May 22-24. All FWB in Mexico have been invited to attend.

Pakistan

Pakistan Partnership - Pray for a new partnership that the FWB Vocational Training Institute entered with a local chocolate confectionery industry to train young people with the skills necessary to work in this area. Pray that this will attract new students who will, in turn, have the opportunity to hear the Gospel.

Spain

Anthony & Lea Edgmon - The Gospel Choir event was rained out on Saturday. It has been rescheduled for June 21. Please pray for the group as we continue to practice and prepare.

Daniel & Karah (THP) - On Thursday, Daniel is starting a week-long intensive driving course. He hopes to eventually be able to get his Spanish driver's license. Please pray that he can learn and retain all the information he is going to be studying this week, and that he may be able to do well on the written exam after this intensive. Continue to pray for our residency renewal paperwork that we are trying to submit soon. Also, Karah is meeting with a friend from North Africa this Thursday for coffee. Pray that it goes well, and that their friendship can grow.
