Prayer Requests

Bulgaria

Trif & Vanya Trifonov - Please pray for a guy I am meeting with who is working on his relationship with his wife. Also, pray for another guy from the rehab center who recently joined our church and wants to be baptized!

France

Dennis & Carol Teague - Please pray for us as we seek new financial and prayer partners who will help to make a difference in France. Pray that the Lord would lead us to those whose hearts are broken for the lost and that they would realize the need in France. The Lord is bringing changes to the French culture, and people are more open than in the past. We need to be back there to help in the field of harvest.

Shane & Joy (THP) - Continue to pray for us as we travel in Oklahoma, Tennessee, and Illinois this week. We are confident that the Lord will meet our funding needs. Pray with us for more ministry partners to help us reach our goal.

India

Friends of India - Pray for the Bible Institute in South India. Pray for pastors in South and North India. Pray for the new converts. Pray for personal victory for those facing persecution.

International Students

Darren & Dana Portell - Thank you for praying for us while we were serving as the leaders of ETEAM Panama. God was so good to us! We had an amazing team, and we are still rejoicing over worshipping with our church family in Panama. We've already jumped right back into student ministry in Champaign. Please pray for Darren, especially as he reconnects with students this week.

Ivory Coast

Ivory Coast Partnership - Pray for Dr. Kenia as she sees patients at the FWB hospital at Doropo. Pray for Pastor Jean-Daniel and the Doropo FWB Church. Pray for our church planters. Pray for Mike & Deleen Cousineau and Denver McKay as they travel to Ivory Coast today.

Japan

Jack & Ashley Kettelman - This Saturday, July 4, we will host two outreach events: Kids' English Storytime in the Park and Music Meetup. Please pray for new connections, deepened relationships, open hearts, open mouths, and open doors for the Gospel.

Spain

Anthony & Lea Edgmon - We appreciate your prayers as we travel to the United States this week to help prepare for our son Marc's wedding.

Josh & Bethany (THP) - Housing is becoming an increasing need for many of our friends here. Pray for guidance to the right places and for prices that are not beyond the means of these friends. Pray for conversations this week. I foresee at least one opportunity to talk about the Son.
