Cuba

Cuba Partnership - Praise the Lord for a successful youth camp that was held in the southern district of Pinar del Río. There were many obstacles to be overcome and much sacrifice, but it was well attended and a blessing to all.

Ecuador

Adam & Carol Duncan – Pray for our travel to the U.S. this week. We will be in the U.S. for a couple of months to meet with partners and transition our kids to university.

France

Alejandro & Breanna Johnson – Praise the Lord for us being able to get an apartment! Please pray for us as we settle in before the school year starts.

Shane & Joy (THP) - We will be traveling in Virginia this week. Please pray with us as we continue to seek the necessary funds that will allow us to return to France by mid-August.

India

Friends of India - Pray for Pastor Wesley in South India that his vision can be saved in his left eye, as he has already lost vision in his right eye. Pray for Pastor Saifal's wife as she is hospitalized with a stroke. Pray for the financial support our pastors and church planters need. Pray for ongoing work on the boys' boarding home so that we can safely care for them. We trust that many will be future leaders in our work.

Japan

Billy & Sunni Champion – My friend, E, and I (Sunni) have recently decided that we are going to get together once a week to help one another with our English and Japanese conversation. I asked if she would be interested in studying the Bible, and she said, “Yes!” Please pray for our time together and for her soul. She is seeking.

Jack & Ashley Kettelman – Praise the Lord for a successful surgery for our daughter, Jane! Please pray the results will confirm that the pathology is benign, and for Jack, Callie, and Carter as they fly back to Japan this weekend.

Rusty & Brenda Carney - We will be hosting Pastor Ishii and daughter Manami as she competes in an international music competition in Michigan in August. Also, there will be a concert held at the J-City Church in Johnston City, Illinois, on August 5 at 7:00 p.m., where Manami will play and share her testimony. Please pray for good health, safety of travel, and that many would be encouraged by her testimony.

Panama

Panama Partnership - Praise the Lord for 30 members of the Bethania FWB Church in Panama City who have completed the 5th Bible College course taught in the local church, one subject per semester.

Spain

Anthony & Lea Edgmon - Please continue to pray for the extinction of the wildfires across Spain. Praise God with us that the Christian camp that is dear to our church was spared from destruction, although the flames came onto the property.

Josh & Bethany (THP) - A friend we have made here just died this morning. Pray for his wife and kids and for the Father to use it at the funeral.

Global Partnerships

Global Partnerships:

- A new FWB Church was planted this year in Western Kenya, and they already have 17 people they are preparing for baptism. Praise the Lord.
- Praise the Lord that the registration of "Free Will Baptist Convention Uganda" was approved by the local government in the Tororo area of Uganda.
- Pray for Pastor Philip, from Uganda, as he takes his son Timothy to a Christian hospital specialized in cardiology in Kenya in preparation for a needed cardiac surgery.
- Pray for Uganda: there have been several attacks against pastors. Just this week, a pastor was killed following a debate with Muslims in which two women gave their lives to Jesus. The violence has not yet reached FWBs, but all those who do evangelism are at risk.
