Prayer Requests

Ecuador

Adam & Carol Duncan - Continue to pray for us as we travel to churches and have follow-up doctor's appointments. Continue to remember our college-age kids in their life transitions.

France

Alejandro & Breanna Johnson - Alejandro started teaching yesterday for the fall semester. Please continue to pray for him and all his students. Breanna starts French classes on Monday, September 14. Please pray for her as she steps into this new setting for language learning and relationship building.

Dennis & Carol Teague - Thank you to those who pray for us and support us financially. We have had good services and good offerings, but we still need monthly support. Please continue to pray for us, and if you feel led, you may go on the IM website and give a donation to help us get back to France.

Jacob & Faith (THP) - Jacob and Faith are flying back to France on Tuesday, September 8. Pray for them as they re-acclimate to life in France and for English classes, which start next week. Please continue to pray for Faith's ongoing visa process.

India

India Partnership - Praise the Lord for a successful two-day training on the subject of the Dignity and Sanctity of Human Life. Up to 97 pastors, leaders, and their wives attended part or all of the training. For many, this was new information, and several repented of past choices. Pray for them as they go back to their churches and teach on this subject.

International Students/USA

Darren & Dana Portell - Due to last week's high heat index, we postponed our English Corner cookout at the Penns until this Friday. Please pray for the weather to be agreeable for cooking hot dogs and brats over the bonfire (as well as s'mores for dessert). Please pray for the friendships that will be forged over the bonfire.

Japan

Doug & Miriam Bishop - We will be attending MTI's debrief and renewal seminar this month in Colorado. Please pray for this to be a time of true renewal and recharging for us as a family, and also for continued safety in travel while we are Stateside.

Samburu (Kenya)

Samburu Partnership - Pastor Francis requests prayer as he is traveling to very distant places from where he lives to follow up with previous contacts to whom he had given MP3 players. Pray for rain in the Sesia area, which will provide water for people and animals alike and pasture for the animals.

Spain

Anthony & Lea Edgmon - It is back-to-school week here in Spain! Please pray for students from our church who are in elementary school, high school, university, and vocational training. Pray for teachers in our church as they minister to their students.

Uruguay

Uruguay Partnership - Pastor Carlos reports that his wife, Sandra, has rebounded somewhat in her health, as her obstructed bowels have begun functioning again. Her prognosis is still delicate. Thank you to those who have been praying for her.

Global Partnerships

Global Partnerships - One of the students from South Asia, who is preparing for his master's in ministry in South Korea, has been able to engage several Muslims from other countries living in Korea who are now interested in exploring the claims of Christianity. Pray for wisdom in evangelism. Pray also for another group of Muslim youth from his home country who have asked our student to do online Bible studies with them.
