Prayer Requests

Brazil

Brazil Partnership - Praise the Lord for the new church plant in Monte Alto. They have been having services for only three months and now have 14 families attending regularly.

Bulgaria

Tim & Lydia Awtrey - This week, school officially begins in Bulgaria. Pray for the several new believers we have in our churches that they will begin our discipleship course and learn what it means to follow Jesus wholeheartedly.

Cuba

Cuba Partnership - Praise the Lord for a new local church Bible Institute program that started at the San Juan FWB Church. This church is the oldest one in Cuba and is going through a revitalization. Pray for a Training Seminar for Sunday School teachers on September 26 at the Buen Samaritano FWB Church in Pinar del Río.

Ecuador

Adam & Carol Duncan - Praise the Lord with us that we have added financial partners and will be returning to Ecuador in two weeks. Pray for our remaining time in the States as we visit existing partners and family. Continue to pray for Moriah's adjustment to college and finding community in St. Louis (Christian friends and church family).

France

David & Myriam Reeves - Please pray that God will send us people of peace in our new neighborhood and in the Vannes area.

Joel & Lydie Teague - Please pray for Mosaique FWB Church in western France. We thank God for the progress being made. New believers are hungry for God's Word, with some committing to read the entire Bible. Over 20 adults have joined a weekly Bible training course. Glory to God! Growth in numbers, however, remains slow and unstable. Please thank God for these encouraging steps and continue to pray for growth.

Cody & Lauren Herren - Please pray for a smooth process as we begin our visa application! We would also love prayer for wisdom as we choose where our kids should attend school in France, and for teachers willing to spend extra time helping them learn French as a second language, since they will know very little French compared to their peers.

India

India Partnership - Pray for the following pastors and family members who are sick: Hemant Meher (with wife and two girls), Suresh Kuldip and wife, and for the safe delivery of Sindhu's sister, who is in the last month of pregnancy. Sindhu's father killed one of two cobras in their house – pray that the other one will be gone. Pray for one of our churches that has been unable to hold services in their church building for the last two and a half months due to radicals from the local religion who will not permit Christians to meet. They are currently meeting in a home.

Friends of India - Pray for our pastors and church plants in North and South India. Also, pray for the pastors and their protection as they go out to share the Gospel. Pray for the completion of the legal documentation for the Hanna Memorial School in North India. Lastly, pray for the South India Bible School.

International Students/USA

Darren & Dana Portell - Praise God with us for good weather and great fellowship at our beginning-of-the-fall-semester cookout at the Penns' home last Friday. Please pray for a week full of conversation classes and for our Thursday night game and snacks night this week.

Ivory Coast

Ivory Coast (Sherwood Lee) - Pray for Benjamin Kambire up north. We think he has Bell's Palsy. He worked for several years with Sherwood and Vada Lee in their home. Please pray for the Varale Church as they complete their new church building. Pray for the souls being saved and rejoice with the Christians.

Pakistan

Pakistan Partnership - Praise the Lord for Mechail Aamir, son of the leader of the FWB work, who passed his bar exam and is now a lawyer.

Spain

Anthony & Lea Edgmon - The Roca Eterna Gospel Choir will begin practicing again this weekend in preparation for our Christmas concerts. Please pray for our witness to another choir that will be joining us, and for God to begin preparing the hearts of those who will hear the gospel this Christmas.

Global Partnerships

Global Partnerships - Praise the Lord for a very good virtual meeting that IM had with 35 pastors in Western Kenya who have decided to form an association of FWB churches in that part of the country. Pray for them as they organize and as we discern how best to assist them.
