Friends of India (Sherwood Lee) - Pray for our pastors, church planters, and evangelists. Pray for the Lord's hand of protection to surround our work and to give wisdom in the work among the people. Also, pray for senior pastors and their families. Pray for the annual youth conference on October 2. Lastly, pray for the people of Nepal as they recover from the flood disaster.

International Students/USA

Darren & Dana Portell - Please pray with us this week as we invite students to a weekly small-group gathering at our home, beginning in October. These gatherings will be a time of fellowship over a meal and Bible study.

Ivory Coast

Ivory Coast (Sherwood Lee) - Pray for our churches and pastors in Abidjan. Also, pray for Benjam K as he recovers from Bell's Palsy (a neurological condition that causes sudden, temporary weakness or paralysis on one side of the face).
