Prayer Requests

Bulgaria

Tim & Lydia Awtrey - Please pray for our National Convention that is starting on Saturday. Pastor Jeff Manning will be our main speaker. Pray for open ears and open hearts.

Josh & Bea Provow - This Thursday, September 3, we will have the VBS graduation party in Veselinovo. Thanks to our supporters, 20 kids will receive school supplies for the next school year. We're also expecting parents and the community to join us as we celebrate the children. Josh will have a couple of minutes to share the Gospel, and we are hoping this will sprout a more frequent ministry there.

Trif & Vanya Trifonov - Praise God for two young people who have decided to be baptized this week. Please pray for them to stay faithful to their decision to follow Christ and boldly share their faith with others.

Ecuador

Adam & Carol Duncan - Pray for our travels in the U.S. to visit partners. Remember Moriah in college and pray for her to find a church to attend there.

France

Alejandro & Breanna Johnson - Alejandro begins teaching classes on September 7. Please pray for us as we adjust to our new normal and for Alejandro as he teaches in French.

Jacob & Faith (THP) - Pray for Jacob and Faith as they return to France on September 8 and continue to work with the lawyer to get Faith's visa.

Cody & Lauren Herren - We just applied for all three kiddos' passports and will begin looking at visa applications soon.

India

India Partnership - Pray for a church leaders' training on "Dignity & Sanctity of Human Life" taking place September 3-4. Pray for the church in Baidyabati that just lost their spiritual

father, Ramdev Roy, who had a stroke last week and passed two days later. Ramdev was 86 years old and had led many of his tribal group to the Lord.

Friends of India - Another pastor who had a stroke is slowly improving. Thank you for praying. Pray for those suffering in Nepal because of the flooding and for wisdom as we seek to help where we can. Also, pray for our pastors and church planters this week as they carry on their work. Lastly, pray for the protection of Christians and churches as they face persecution.

International Students/USA

Darren & Dana Portell - Rejoice with us that we had over 50 students at our Thursday night English Corner, and over 45 of them were brand new this semester! Pray with us that many of those students will sign up for our conversation classes, which happen during the weekdays, and that many will return this Thursday night. On Friday night, we will host our Fall semester cookout at the Penn's home; please pray that friendships will deepen over playing cornhole and eating s'mores.

Ivory Coast

Ivory Coast - Pray for the President of the FWB association in the Ivory Coast. Continue to pray for our pastors and church planters. Pray for the members of the Varale FWB Church as they complete the construction of their new church building.

Japan

Ken & Judy Bailey - Our son-in-law, Dr. Jeremy Delamarter, will have triple bypass surgery Friday morning, September 4, in Seattle, WA. We appreciate your prayers for him, his surgical team, and his recovery.

Samburu (Kenya)

Samburu Partnership - Please pray for rain in Samburu. Pastor Francis shared that they are struggling to find enough pasture for their animals due to the dry conditions. Pray for much-needed rain and for God to provide for the community and their livestock.

Spain

Anthony & Lea Edgmon - Please pray for several new families that have begun regularly attending our church. Pray for God's wisdom as we seek to encourage one another.

Togo

Togo Partnership - Praise the Lord for a productive meeting of the participants in the Togo Partnership, which is responsible for launching the FWB work in that country. In a report heard during that meeting, we now have at least 13 places of worship that are affiliated with Free Will Baptists. Pray for the lengthy process of securing government authorization to function as a denomination in Togo.

Uruguay

Uruguay Partnership - Please continue to pray for Sandra, wife of Pastor Carlos. Her health has rebounded slightly, but the family still needs our prayers.

Global Partnerships

Global Partnerships - Pray for Abishai, from Pakistan, who is in seminary in South Korea. He has had an opportunity to engage in meaningful Gospel-centered conversation with a group of Muslim Kurds who are interested in the Gospel. Pray that these young people will come to trust Christ.
