Prayer Requests

Argentina

Argentina Partnership - Pray for Kenneth and Frank as they will travel this Thursday to Rosario for a meeting with local pastors and pray for the ordination of a new pastor.

Brazil

Brazil Partnership - We praise the Lord for last week's Pastors' Retreat in Campinas. We also praise the Lord that we had great services in Monte Alto (a mission being planted by the Jaboticabal Church) and in Jaboticabal, where eight new believers were baptized after Sunday night service. We praise God for what he is doing in Brazil. Please pray for several new leaders who are being prepared for the ministry.

Bulgaria

Tim & Lydia Awtrey - In Svishtov, we now have five home groups where people get together every week to fellowship, pray for each other, and study the Bible. Pray for more new believers and unbelievers to attend these groups.

Ecuador

Adam & Carol Duncan - Pray for our discipleship couples' groups and leaders, and for continued partnership development with government agencies. Also, pray for Carol as she trains Kathy, a new national worker who is helping with health needs and family education.

France

Alejandro & Breanna Johnson - Pray for our friends who have school-age children. All of the unrest is affecting the school children. They are anxious about everything that is going on around them, which is not easy for them to understand or explain.

Lauren Williams - I'll be in Colorado for the next four weeks for training at MTI (Mission Training International). Please pray for good health, safety, and a fruitful time of learning and growth. Thank you for your prayers!

Cody & Lauren Herren - Thank you for praying for our visa appointment! It went very well. Now we are waiting to get our passports back in the mail and hear whether we were

approved for our visa or not. Please continue to pray as our visa applications are being reviewed!

India

India Partnership - Pray for the safety of our brothers and sisters in the State of Uttaranchal. The local government is very hostile to Christians. They have put pastors in jail, charging them with false accusations.

Friends of India - Thank you for praying for our pastors and church planters in North and South India. Pray for wisdom as pastors deal with opposition. Also, pray for a continual witness to the unchurched.

International Students/USA

Darren & Dana Portell - Rejoice with us over a well-attended and enjoyable night of fellowship with our students at the reindeer ranch, where we shared a bonfire meal, met reindeer, had a hayride, and trekked some miles in a corn maze. This week, I (Dana) had to say goodbye to a precious student from South Korea. Please pray that God will continue to place believers in her life so the seeds that were planted here can grow into faith.

Ivory Coast

Ivory Coast (Sherwood Lee) - Thank the Lord for those coming to Christ and for “open doors.” Pray for the outreach of the hospital at Doropo.

Japan

Billy & Sunni Champion - Good News Chapel has reached over 80% capacity in our current worship space. Praise the Lord! Will you pray with us for wisdom and direction as we try to find a larger space for worship and for all the ministries that take place at the church?

Heath & Joni Hubbard - Pray for the Fall Festival at Hope Alive on October 24, that many new people will attend and get connected with the church through this. Pray for the Gospel presentation at the event to plant seeds in people's hearts.

Daniel & Kate Speer - Pray for one of our church members who is going in for a major surgery on Wednesday, October 21, here in Japan. She has a teenage daughter and a husband, and she is concerned about the surgery itself and the recovery.

Panama

Panama Partnership - We continue to ask for your prayers for the families in Panama who were affected by the recent earthquake. Also, we want to thank the churches and individuals here in the United States for their economic support. We thank our Global Partners in the Association of FWB in Panamá for their relief efforts.

Spain

Anthony & Lea Edgmon - The Alpedrete church will celebrate the baptisms of three of our young people this Sunday. Pray for these siblings as they testify of their faith to friends and family. Ask God to guide them as they walk in newness of life.

Togo

Togo Partnership - Praise the Lord for a group of 18 leaders who were trained in evangelism using biblical narrations.

Global Partnerships

Global Partnerships - Kenya reports two new churches planted in Western Kenya and 243 saved since July. Praise the Lord!
