International Students/USA

Darren & Dana Portell - Will you rejoice along with us for a weekend well spent with Welch College students at their Missions Retreat? It was encouraging to spend time with young people who feel led to spread the Gospel; many of them are students who have participated in ETEAM and CMP. What a joy to see how those programs have impacted their future plans. Please pray for our conversation groups this weekend, specifically for natural opportunities to share God's love with our international students.

Ivory Coast

Ivory Coast (Sherwood Lee) - Pray for Pastors Paul and Samuel as they attend a Bible Narration seminar with the Togo leaders. Pray for our 58 FWB pastors in the Ivory Coast as they pastor and teach our local people. Thank the Lord for the 92 new converts the church planters share in their report. Pray for those with health issues.

Japan

Ken & Judy Bailey - The son of a long-time member of Iriso Church English/Bible Studies, a man in his mid-forties, became a class member a few months ago when he became his mom's caregiver. He has been studying the Bible for the first time and is contributing to the conversations we have. Pray for the Holy Spirit to work in Mr. "S's" heart.

Daniel & Kate Speer - Pray for us as we work toward finishing out the year well at New Life Church. Pray for the new believers at the church, especially for those who haven't yet been baptized. Also pray for other church members who have gone through some difficult times recently, that the Holy Spirit will comfort and lead them.

Panama

Panama Partnership - Please keep the people of Panamá in your prayers. Many of you have seen the news about the 7.2 magnitude earthquake that happened over the weekend. Pastor Emiliano has shared that there has been some damage but no casualties to report so far. The Panamanian Association is organizing humanitarian relief to the areas that have been affected.

Spain

Anthony & Lea Edgmon - The Alpedrete Church is looking for a new church building. This week, they are scheduled to take important steps towards making this a reality. Please pray for God's will in every decision made.

Josh & Bethany (THP) - We are preparing to fly back to the States at the end of the month. Pray for us as we transition.
