Prayer Requests

Bangladesh

Bangladesh Partnership - Please pray for the recovery of one of our FWB Church planters who was kidnapped by religious extremists and held in captivity for eight days without food or water, and with daily beatings. Christians rescued him, and he is now in hiding with his family. Persecution has worsened in recent months, and all our church planters face similar dangers.

Brazil

Brazil Partnership - Praise the Lord for a great missions service this past Sunday at First FWB Church in Campinas. Pastor Leandro and his family were present to speak about their new missionary assignment to a remote area of the State of Alagoas; Kenneth Eagleton preached, and a pasta dinner was served after the service as a fundraiser for missions.

Bulgaria

Jonathan & Amy Postlewaite - We're praising God for a baptism service on Sunday and that more than one non-believer attended! We're also praising God for several new people who have started to come to our Sunday services.

Tim & Lydia Awtrey - Last week, a team with The Hanna Project worked to renovate a preschool in town. On Sunday, the preschool director came to church and said it gave her a lot to think about. Pray that she would keep thinking and come again to church.

Ecuador

Adam & Carol Duncan – We have returned to Misahualli and hit the ground running! Please pray for the restart of programming after our two months stateside. Also remember us, as we need to have hard conversations with some of the locals. Pray for the THP Medical team which will arrive in a little over a month.

France

Alejandro & Breanna Johnson - Please pray for us as we host our first outreach "event" this weekend and bring Breanna's language school classmates over.

India

India Partnership - One of our partner churches had been unable to meet at their place of worship for several weeks due to religious extremists blocking the building entrance and threatening violence against the congregants; they were finally able to meet again this past Sunday. Thank you for praying, and continue to lift them up for protection against "the Evil One".

Friends of India - Pray for the pastors and churches under pressure from extremists. Pray for all the church leaders as they reach out to the people in their area. Pray for Hanna Memorial School as it completes the government accreditation process.

International Students (USA)

Darren & Dana Portell - Praise God for the students who attended the launch of our small group at our house last night. Will you pray that the words from the book of James that they studied last night will take root in their hearts?

Ivory Coast

Ivory Coast Partnership - Praise the Lord for a good outcome from a leadership meeting on sensitive issues.

Ivory Coast (Sherwood Lee) - Pray for our pastors and church planters. Pray for those in training at the Bible Institute. Pray for several who have medical issues.

Japan

Jack & Ashley Kettelman – Praise the Lord for the official launch of Hope Alive Ikebukuro Church and for the new faces who have come in during the first two weeks! Please pray for Ashley as she shares her cancer testimony and leads a prayer gathering at a women's event this week.

Daniel & Shelby Culwell - This week, our family, on Daniel's side, suffered a massive fire on their property. They lost an immeasurable number of items, including vehicles and tractors, as well as the most valuable personal items we had stored there that were very sentimental to us. They are dealing with multiple lawsuits, and if insurance comes through, it will never come close to replacing the value of the workshop. Right now, they are unsure whether insurance will cover anything. Pray for a MIRACLE that the Lord would provide in ways that we could never imagine.

Mexico

Mexico Partnership - Pastor Samuel is asking for prayer for the construction of a meeting place for the mission. Also, please pray for his daughter-in-law, Marisel, for her pregnancy, and the baby's health.

Pakistan

Pakistan Partnership - Praise the Lord! Twenty-seven people were baptized this past Sunday.

Samburu People (Kenya)

Samburu Partnership - This is from Pastor Francis on Friday, October 2: Praise the Lord! I received the solar MP3 players today. Praise Yahweh!

Togo

Togo Partnership - We thank the Lord for all the work that is being done in Togo. Pray for Pastor and Mrs. Samuel Ouattara from Ivory Coast as they travel back to Togo on Thursday. Please pray for the church planters and for the locals that they will continue working together for God's Glory.

Uruguay

Uruguay Partnership - Pray for Kenneth Eagleton and Frank Vazquez as they travel to Uruguay this week to visit churches, meet with leaders, and teach at the Bible Institute in Rivera.

Global Partnerships

Western Kenya: Pastor David Wafula informed us that a new FWB church was launched in the village of Stapicha. Praise the Lord!
