Prayer Requests

Bulgaria

Tim & Lydia Awtrey - Pray for a leadership meeting we will be having at the church in Svishtov this Saturday, as we make plans for 2027.

Trif & Vanya Trifonov - Please pray for two of our dear sisters from New Life Church, Varna, who have to undergo an operation. Pray that God is in control and that they recover quickly afterwards.

France

Alejandro & Breanna Johnson - We are hosting a Thanksgiving meal for several of our unbelieving friends next Saturday. Please pray that God would allow for fruitful conversations to take place.

India

Friends of India - Pray for Dr. Don Hanna as he has arrived in India. He preached Sunday morning, and many were present to welcome him "home." They are having a one-day revival meeting. Pray for the pastors and workers in the North and South, and for the dedication of the boys' residence.

International Students/USA

Darren & Dana Portell - International students from the University of Illinois and the University of Missouri will meet at Camp Hope in Ina, Illinois, this weekend for our annual Fall Retreat. Please pray for our families (Penns, Portells, and Mercers), as well as our volunteers (high school, college students, and adults), that we will show Christ through our love for them and for one another. Please also be in prayer for the international students who will gather around our table and the Penn family table on Thanksgiving Day this year.

Ivory Coast

Ivory Coast (Sherwood Lee) - The Lord is blessing, and souls are being saved. Pray for the new churches as they grow, and for Mike Cousineau and Denver McKay as they travel to the field this week. Remember to pray for the pastors and church planters.

Japan

Ken & Judy Bailey - Three unsaved people attended KCC last Sunday. Two were there for the first time, did not speak Japanese, and were visiting family. Pray that through their relatives' (who are also KCC members) translation and testimonies, they will be touched by the Holy Spirit. They plan to attend Sunday services for the next two weeks of their visit.

Doug & Miriam Bishop - We are thankful for the time we have had in America, and for all the churches who have let us share what God is doing in Japan. Pray for us to finish out this year of fundraising well, and for continued safety and stamina as we travel.

Jack & Ashley Ketteman - We will be attending a church planting conference this week with missionaries and pastors from all over Japan. Pray that the Lord will encourage, equip, and empower His people to partner in planting healthy, disciple-making churches across this nation.

Daniel & Kate Speer - Most of our missionaries in Japan are attending a church planting conference this week, so pray for good connections, encouragement for us and our children, and for us to be able to learn a lot from other missionaries working in Japan.

Jacob and Hailee Voltz - Jacob's parents' house caught fire Sunday and burned for four hours. We are thankful everyone was safe! Please pray for them as they process the loss and begin the long journey of healing, rebuilding, and contacting insurance.

Spain

Anthony & Lea Edgmon - Please pray for the teens and young people in our church as they grow in the Lord. Pray that they will live out the truths of God's Word in their work/school lives and in their relationships.

Uruguay

Uruguay Partnership - Praise the Lord for four people baptized this past weekend at one of the churches in Rivera.
